## Martinez Selected as Site Of Protested VA Hospital

Opponents of the Veterans Administration's proposal that its multi-million dollar hospital would be placed in Orinda breathed easy this week.

The VA announced that the hospital has found a home in Martinez.

Harvey V. Higley, administrator for Veterans Affairs, made the disclosure that the hospital, to be built to replace the present VA structure in Oakland, would be situated on 26 acres of the John Pereira ranch property just off the Arnold Industrial Highway.

THE ADMINISTRATOR added that the condemnation suit the VA had instituted against the originally proposed site near Miramonte High School would be dropped.

This site was chosen last May, but protests from local residents moved the VA to reconsider its decision and search for another site.

"We won't build where we're not wanted," was the official VA comment following a May 21 protest meeting at Miramonte at which more than 800 local residents voiced objections to the selected site.

Construction of the huge project will begin in about a year as it will take that long for surveying and other technical services to be completed, according to M. S. Reager, assistant manager of the Oakland VA hospital.

THE STRUCTURE will cost between \$14,000,000 and \$15,000,000, depending on current costs, Reager estimated.

Some 85 persons will be employed at the hospital, which will have a payroll of around \$4,500,000.

With the question of location of the hospital having been grounds for hope, apprehension and volatile protests from the various communities considered, the VA is "very happy about the decision," Reager, who is acting manager of the Oakland hospital in the absence of Sam Franks, stated.

He then reiterated the official comment that the VA did not wish to locate "where we're not wanted."

PERSONALLY, however, Reager felt that the original Orinda-Moraga site might have been favorable from the "standpoint of facilities and accessibility."

"But with the new freeways coming through," he added, "I'm sure that Martinez will be just as good a site."

Since the Orinda-Moraga protests began flooding in, the VA began hunting for another site. Subsequent sites inspected were at Martinez, Walnut Creek, Pleasanton and Park Air Force Base.

SEVERAL OTHER areas had expressed desire to be considered as prospective sites.

One of the major points in selection of the Martinez site, it had been in that of the Orinda-Moraga area, was a Civil Defense requirement that the hospital be constructed east of the Oakland hills to remove it from a prime target area.

Veterans organizations of Alameda County attempted to have the requirement dropped but were unsuccessful.

The present hospital, in the former Hotel Oakland, has been considered as a temporary facility by the VA. It has been a VA hospital since 1946.

THE ANNOUNCEMENT this week was a culmination of a whole summer's work for various Martinez civic groups which had been attempting to draw the VA nod in their direction.

Representative John Baldwin of Martinez said, "I am very pleased that the VA hospital will be built in Martinez. The location will mean a lot to veterans in the Bay Area and Northern California."

## Adopt Plan! -- Improvers; Hearing Next Tuesday

When the County Planning Commission opens its public hearing session on the Lafayette master plan at 8 p.m. next Tuesday, it will have before it the united request of the Lafayette Improvement Association that the master plan be adopted.

At the association's first general membership meeting of the 1956-57 year Wednesday night at Lafayette Town Hall, approximately 130 persons agreed that the long-pending Lafayette master plan should be adopted by the county planners.

The Tuesday night session will be the second, or continued, session of the second public hearing on the Lafayette master plan. It will be held in the meeting room of the County Administration Building, Pine and Escobar Streets, Martinez.

FOLLOWING Wednesday night's meeting, Association President George Walker said that the association will be represented at the hearing before the Planning Commission.

He said that he and William Zion, chairman of the association's planning committee, will stress to the commission the desire of Lafayette residents for the Lafayette general plan to be adopted.

The association membership voted its stand Wednesday night after Don Newmark, assistant planner in the advanced planning section of the county planning staff, had discussed the general aspects of the proposed local master plan.

BY A STANDING vote of 71 to 18, the association approved a motion by Jack Myers of the Paradise Acres Homeowners Association that the Lafayette Improvement Association board statement and the planning committee report on the master plan be accepted, except for wording of one point.

That point concerned Moraga Road between School Street and St. Mary's Road.

The planning committee and the association board had recommended that this section "not be designated multi-family, but rather high density (5-7 families per acre), and that the text explain this area could be developed, within high standards, for rental use."

Myers' motion was that this area be designated "medium density," so as to "conform with the area immediately surrounding on three sides and with the map of the Lafayette general plan at the first hearing in October, 1955."

THE PLANNING committee, the directors and the membership of the association have now all endorsed "the general plan for Lafayette, as currently developed by the county planning department," with three exceptions.

Those exceptions are Happy Valley, Moraga Road between School Street and St. Mary's Road, and the proposed Hough Tract shopping center area.

As the result of Wednesday night's meeting, the planning committee, the directors and the membership are in accord that the Happy Valley "be designated separately from the established density ranges, and that the text explain the uniqueness of this area."

2. "The shopping center area shown for the Hough Tract be stipulated not to permit business fronting on Brook Street."

BEING SENT to the Planning Commission, Walker explained, are the original report of the planning committee, the directors' acceptance of that report with reservations and comments, and the association membership action.

Two additions which had been made by the board—and which the membership accepted Wednesday night—were:

1. A statement that the association "holds that in the administration and implementation of the general plan, the wishes of the majority of the people in the area concerned be given the major consideration."

2. A statement—separate from the specific remarks on the master plan—that the letter of transmittal to the County Planning Commission point out "that nothing in these statements be construed as supporting changes in any existing precise zoning."

## H. L. Cummings Criticizes Sun

In what he described as one of his "last public appearances," H. L. (Jack) Cummings, chairman of the County Board of Supervisors, criticized The Sun in his address before the Orinda Chamber of Commerce at Casa Orinda Tuesday.

Addressing Herman Silverman, editor and publisher of The Sun, Cummings said:

"I've taken your paper in self-defense, to see what you are going to say against me."

I will say that if I lived in San Francisco and took your paper, which told about gambling, county corruption and inefficiency in government, I don't think I'd live in the damn county."

Cummings, whose term on the Board of Supervisors expires the end of this year, told Silverman at the luncheon meeting that if he devoted as much effort to building the county as to criticizing it he would serve the county better, since, Cummings said, Silverman is putting out a good paper with good circulation.

(This year The Sun won first place in California and second place in the entire nation for community relations and promotion. In recent years The Sun has won two awards among all California newspapers for "outstanding Distinguished Community Service.")

## 6 Reelected as Library Directors

Six of seven directors of the Orinda Library Board were re-elected last week at a board meeting at the home of Director George Hartzel of Loma Linda Court, Orinda.

At the conclusion of the board meeting, the directors met to elect their officers. With all officers also reelected to serve a one-year term, Dr. Lloyd Farver is once again board president.

Other officers are Mrs. John Madison, vice-president; Mrs. W. E. Estes, secretary; and Hartzel, treasurer.

Also reelected to the board were Mrs. Clinton Scarich and Mrs. Edmond Wilford. Peter Brown, general chairman of the Orinda Library Building Fund, was elected as a director for the first time.

Mrs. Donald Krotz was unanimously elected as an honorary director for her "outstanding contribution to the library cause as Field Group chairman."

## Nicolet Urges Orinda Civil Defense Setup

Rapid and effective formation of an Orinda civil defense organization was urged Monday night by Joseph Nicolet, chairman of the Orinda Civil Defense Sub-Committee.

"Actually, the sub-committee is still to be formed," Nicolet explained later. "That's why it's so important to overcome public apathy and to get things started."

Nicolet told the Orinda Association's Civil Affairs Committee meeting at the Orinda School Library, that "civil defense is nothing more than the ability to take care of yourself and your family in such a fashion that you in no way hinder the authorities or in any way create a panic, in the event of a major emergency."

Nicolet said he would be glad to meet with local improvement association representatives, and he suggested that everyone take Red Cross first aid classes.

"Since several months ago, the estimation of fallout area that would result from an enemy atomic-bomb air attack has been increased from 15 to 20 miles," Nicolet stressed.

"That means that this entire area would be evacuated eastward."

Firemen's Tickets Will Go on Sale

Tickets will go on sale Monday for the Lafayette Volunteer Firemen's Association annual "theater party" President Nick Grannados said yesterday.

All tickets purchased from volunteer or regular firemen for October 22, 23, 24 and 25 Park Theater shows will benefit the association.

## State Says 'No' on Tunnel Wiring

Sheriff Seeks Sub Station Site, Wants Traffic Law

Speaking before the Pleasant Hill Civic Council Monday night, Harry A. Brown, sheriff, informed delegates the Sheriff's department might establish a sub station in Pleasant Hill and one in the Moraga area.

Condition of the formation of the two stations is six more men would be needed on the force. As reported in The Sun several weeks ago, Locations being considered by the Sheriff's office are Lafayette, where civic leaders have offered the use of the main fire house on Moraga Road; Pleasant Hill, where civic leaders feel a substation is vital; and Walnut Creek, where the sub station is now located but must move because of the construction of the new state freeway; Moraga, where the Sheriff's department has been offered a site rent free if it were to establish a headquarters there.

Brown explained that he is now seeking legislation enabling the Sheriff's department to control traffic in unincorporated areas. Brown said he has asked the district attorney for a blanket traffic ordinance permitting his men to enforce traffic regulations.

He pointed out that the main idea behind the Sheriff's office controlling traffic would be the fining of violators.

As was brought forth last week in a Sun Editorial Sheriff Brown told the delegates from 70 to 80 per cent of the traffic violations in residential areas are caused by the area's residents.

"Emphasis of the Sheriff's department would not be on chasing speeds but on enforcing neighborhood ordinances for the safety of children," said Brown.

## Freeway Hassle Continues As State Hearing Nears

Shepherd Canyon Freeway routing continued to be a topic of intense controversy this week.

With the California Highway routing of the western leg of the future freeway scheduled for 1:30 p.m. October 3 at Miramonte High School in southern Orinda, recent developments include:

1. The County Planning Commission decision last Friday afternoon to reject from its further consideration the Redwood Canyon and Indian Valley routes.

2. Reaffirmation by the Diablo Highway Improvement Federation of its support of the state-favored route (No. 4), an approximate straight-line course through the vicinity of Miramonte High School and Moraga townsite.

3. Reaffirmation by the Orinda Association's Civic Affairs Committee of its opposition to the state-favored route and to route 3 (looping south of the townsite) and route 1 (Redwood Canyon), and its endorsement of route 2 (Indian Valley).

THE DIABLO HIGHWAY Improvement Federation stand was expressed in a letter from Chairman Elliot J. Hartman to the County Planning Commission.

The latest Civic Affairs Committee action was taken unanimously by some 40 persons at the Civic Affairs meeting Monday night at the Orinda School library.

The statement was to be sent to the California Highway Commission and Gov. Goodwin J. Knight, with copies to Assemblyman Donald J. Doy and State Senator George Miller Jr.

The Diablo Highway Improvement Federation letter was dated last Friday.

IN REJECTING the Redwood Canyon and Indian Valley routes, the Planning Commission instructed its technical staff to prepare a report on routes 3 and 4 and also a "3A," suggested by Utah Construction Company as a possible slight variation of route 3.

Planning Commission action occurred after lengthy discussion last Friday afternoon, during which the commissioners studied conflicting presentation made at a public hearing in Martinez the night of September 11.

THE SEPTEMBER 11 hearing and much of the argument that night revolved around the request by the Orinda-Moraga Valley Homeowners (a group of six southern Orinda neighborhood associations) that the county urge the California Highway Commission to study the effects of the various proposed routes on "community values."

The Highway Federation letter stated that that organization's directors favor route 4 because of "the lower cost, better service to traffic and general good highway and traffic engineering of this route."

"We do not feel that any of the arguments presented by opponents of this route stand up sufficiently against the arguments in favor of the route, to cause the state engineers to accept change, or for the County Planning Commission to recommend a different route," Hartman stated.

The lengthy letter also declared:

"PROPERLY PLANNED freeways do not necessarily become a barrier and proper planning of developments around a freeway, with cooperation between state highway engineers, County Planning Commission and developers, can provide a very well planned and integrated community."

The Highway Federation has proposed to the state engineers, and will repeat the suggestion at the Highway Commission hearing, that provision be made for a sufficient number of crossings under or over the highway, so that the freeway will not become a barrier to proper development of the new community.

"We are asking the highway engineers, in cooperation with your planners, to provide the tunnels or space under the structures of the freeway, so that the developers or the county can build the necessary roads or streets for this community after they are planned."

Hartman said that the point of "community values" is "quite theoretical, as the community has not yet been built."

THE CIVIC AFFAIRS stand of Monday night had previously been taken by the Orinda Association Board of Directors as well as by Civic Affairs.

Mel Nielsen of Lafayette, candidate for supervisor from the Second Supervisorial District, told the Civic Affairs meeting:

"I am very much opposed to any freeway going through any residential area. There is plenty of room for this freeway in other parts of the valley. I think this association should back those people and demand that the route not go beyond Indian Valley."

## Bypass Detour Is Established

On Monday a detour for east-bound traffic was placed in service on Mt. Diablo Boulevard between Oakland and Walnut Creek where construction of the Lafayette bypass is in progress.

This detour, about one-half mile long is located a short distance east of the Upper Happy Valley Road opposite "El Nido Rancho" and will be in effect until completion of the freeway early next summer.

Both eastbound and westbound motorists destined for Sunnybrook Drive, Pine Lane, or "El Nido Rancho" must use Upper Happy Valley Road for two tenths of a mile, then turn right and proceed easterly along the frontage road.

The construction project in this area will provide a freeway bypass of the business district of Lafayette, thus eliminating the interference to through traffic of local business travel.

The California Highway Commission provided \$3,310,008 for the 2.5 mile bypass project and began late in 1955. It is estimated that the new route will be ready for traffic in March.

## Cummings Predicts Road Bond Issue in 'Swan Song'

A prediction that Contra Costa County will hold another county road bond issue was registered Tuesday by retiring chairman of the Board of Supervisors H. L. (Jack) Cummings.

Making what he termed his "farewell public appearance in Orinda," Cummings was speaking at the noon luncheon-meeting of the Orinda Chamber of Commerce at Casa Orinda.

REMINING the chairman of the \$10,000,000 road bond issue passed several years ago in this county was very successful, the chairman expressed the hope that a similar issue would be put through.

"Ever since the county passed its own bond issue," he stated, "the state has looked with favor on Contra Costa."

This, he said, was because this county was one of the few in the state to help itself in its road problems.

Cummings' "swan song," which he said he was happy to deliver before the chamber, also included his opposition to the proposed Alameda-Contra Costa Transit District, which comes before the voters November 6.

HE EXPLAINED the supervisors passed a resolution opposing formation of the district, which he said "was created with good intentions, but not too much forethought."

Among the criticisms he has of the proposed district, Cummings cited the following as foremost:

1. The district would have unlimited tax power.

2. There would probably be only one Contra Costa member on the governing body.

3. THIS COUNTY might not receive equal benefits from the system.

The supervisor added that some people are confusing this district with an overall transit plan, and this may mislead voters in November.

The nine-county Bay Area Rapid Transit System is the county's "number one" project currently, Cummings stated. He proceeded to outline the history and progress of the plan for the chamber.

SAYING THAT he was "happy the first stage, as recently outlined, included Contra Costa," Cummings disclosed that engineers were at first uncertain whether the system would go through Moraga or Orinda.

Orinda, he said, was their choice. From there, the system will run out to Lafayette, Walnut Creek and Pleasant Hill.

"This is our number one project," he stated, "as we have to have some form of mass transportation. I've always felt that the future of Contra Costa depends on rapid transit."

CHOKED BY emotion, Cummings then thanked the assemblage and the people of the county for the "great education I have received as a supervisor."

"It has been a great privilege to serve you for the past 24 years," he continued, tears in his eyes, "and I've tried to be honest in my decisions. Going out of office, I bear no malice."

The chamber gave the board chairman a standing ovation at the close of his address.

In other business at the meeting, which was presided over by President Merle Brown, the chamber voted to write to the State Division of Highways to ask for lighting improvements in the Broadway Tunnel.

## Engineers Say Installation 'Not Feasible'

Installation of wiring in the Broadway Low Level Tunnel in order to provide for radio reception in the tunnel "would not be feasible," the State Division of Highways stated this week.

The statement was in a letter to the Orinda Chamber of Commerce, signed by District Engineer L. A. Weymouth, representing Assistant State Highway Engineer B. W. Booker, the Division of Highways letter was directed to the attention of Clarence Betz, chamber secretary.

The Orinda chamber had asked that consideration be given to such installation. The Division of Highways reply was read at the chamber luncheon meeting Tuesday at Casa Orinda.

"Such installations have been made with a measure of success in short tunnels," Weymouth wrote. "However, we know of no success being obtained in tunnels the length of the Broadway Low Level Tunnel."

"In 1952, upon a similar request, we investigated the feasibility of such an installation. "Technical investigations have been made as to the possibility of such an installation being feasible, and a competent radio authority advised that it would be feasible, but the quality of the reception would be very questionable and would involve picking up radio signals from outside the tunnel and rebroadcasting them into the tunnel."

"Such an arrangement would require licensing by the Federal Communications Commission and would entail a large expenditure of funds for installation."

"It is our understanding that such an installation would only be practical to serve the FM band and would not be feasible for the higher frequencies normally used by public agencies."

"In view of the above, we do not consider it feasible to make such an installation in the Broadway Low Level Tunnel."

## Girls Falls From Car in Accident

Year-old Gale Robinson fell out of the car her mother, Mrs. Gretha Thomson Richardson, 932 Janet Lane, Lafayette, was driving when the car smashing into another in the early morning hours Wednesday on Moraga Boulevard.

Mrs. Richardson's car was hit by the auto driven by Joseph Russell Bruzzone, 30, of 3475 Monroe Avenue, Lafayette, which the Highway Patrol said failed to yield right of way as it came to the 2nd Street-Moraga Boulevard intersection.

The accident occurred about 5:05 a.m.

Slight damage was reported on both cars, and Gale was released from the Kaiser Foundation Hospital in Walnut Creek after examination.

## Speaker Backs 'Truth in Ads'

"Truth in Advertising is the basic ingredient" was the viewpoint of Charles Wansley of the Oakland Better Business Bureau as he addressed the Orinda Rotary Wednesday at a noon luncheon meeting.

Wansley, guest speaker for the meeting, represented the bureau which serves Contra Costa County.

Because a few bad and untruthful advertisers "give the rest a black eye," the speaker proposed that members of the advertising "fraternity" regulate their own members and establish their own laws.

This, he said would result in more honest advertising and, consequently, better business.

Clarence Betz was program chairman for the meeting which was presided over by President Ramsay Underwood.

## Current Drive Nets Improper Member Growth

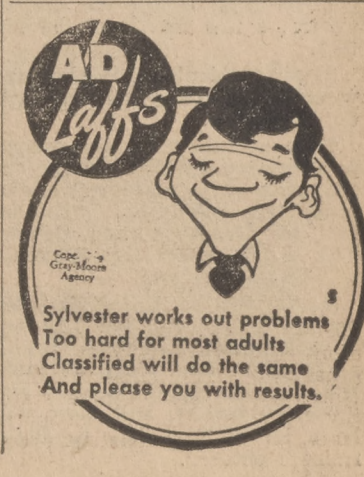

More than 450 Lafayette families now belong to the Lafayette Improvement Association, but the goal of the current membership drive is 600 families.

This was reported this week by Charles C. Baake, secretary of the association, who added that there are still about 150 families of last year's membership that haven't been heard from as yet.

The membership campaign for the 1956-57 fiscal year is netting more than 40 memberships a day, Baake reported. He said that regular membership bills were sent recently to all previous members and that a general invitation to join was sent to all Lafayette residents.

With the improvement association being the primary civic organization in Lafayette, dues are \$1 for the year for the whole family. The membership year runs from July 1 through June 30.

"Since Lafayette is unincorporated, the Lafayette Improvement Association is looked upon as the spokesman for residents of the area," Baake stated.

GOING THROUGH THE chow line at the Mount Diablo Unified District Employees Association planning session at Gregory Gardens School are Charles Hamilton, field representative of the California Teachers Association, James Dent, superintendent of the Mount Diablo Unified School District and William Gingrich, left to right, association president.

OVER 70 REPRESENTATIVES of all Mount Diablo schools met at Gregory Gardens School Monday evening to plan activities for MDEUA for the coming year. In discussion groups, as shown here, the year's program was formulated by each of the 15 committees of the organization. Dave Escamilla, Pauline Lux, Bernice Woodhead, Margaret Moline, Gene Ross, James Dent and Ed Brandt, left to right, discuss legislation and public relations.

## Autumn Starts Sunday, But Weather Jumps Season With Downpour

Some called it liquid sunshine, some said it was just tears for the passing of summer, some didn't believe it at all. But despite the allegations, good, honest, wet rain fell on the local communities this week.

It might have been a little early, since summer doesn't end until Sunday, but nevertheless the downpour in all local areas was heavier than normal.

On Tuesday and Wednesday, .43 inches fell on Lafayette, .32 on Orinda, and the Walnut Creek-Pleasant Hill area got soaked with .51 inches.

Aside from the moisture, the air was warm and the sun was shining as Ol' Man Sol prepares to hibernate for awhile. High reading

was Orinda's 90, while the chill struck Lafayette with a 45. Here's what the thermometer recorded:

# Walnut Festival is Here!

Record Crowds to Jam City Park; Crosby is Tonight

## Festival Has Delights for All

The main gates will open at 2 p.m. today for the second big day of Walnut Creek's 19th annual Walnut Festival. Thousands of spectators are eagerly looking forward to the Bob Crosby Show, to be held at the City Park amphitheater beginning at 8:30 p.m.

The top entertainment feature of this varied and colorful celebration, the Crosby Show, will run through two hours tonight and will repeat tomorrow night with a dance exhibition, performance by a young Orinda trumpeter, introduction of the Walnut Queen, and plenty of music by the "Modernaires" and the "Bobcats."

THE FLOOD of fun-seekers which entered the gates yesterday, and stayed for a fashion show last night, is expected to swell to a grand total of nearly 90,000, according to Rowland Barrett, Festival Association president.

The Association has been preparing for months to make this year's spectacle at the city park "bigger and better." Each year there are more concession booths, amusement park facilities, parades, ceremonies and exhibits.

The climax will be reached Sunday afternoon, when a giant parade will fill Main Street with bands, floats, beautiful girls, civic leaders and military uniforms.

CENTER of attraction tomorrow afternoon will be the giant circus tent where concession booths and exhibits will offer refreshments and sight-seeing for young and old, en route to the amusement park just outside.

A stroll past the rides to the western portion of the grounds leads to the amphitheatre, where tickets are still available for the Crosby show.

Folks there will hear the Jack Sentenrich orchestra of San Francisco, the Burns twins and Evelyn, a dance team, Orinda's Mario Guarnieri, 13, on the trumpet, introduction of the Festival queen, and then Bob Crosby's own aggregation, including his daughter, Kathy.

TOMORROW the gates open at 11 a.m., and a half hour later the children's parade will begin from the old Walnut Creek school, coming down Locust Street, and then to the city park, judging will be at the school, beforehand.

At 2 p.m., and again an hour later, the children's stage show will be held at the Recreation Center, a few feet from the big tent.

Plenty of talented kids who have won in preliminary contests, will do their stuff.

Then at 8:30 p.m., the second performance by the Crosby aggregation at the amphitheatre, and afterwards, the formal coronation ball at the Recreation Center, with music by Crosby. Dancing will be until 11 a.m.

Sunday will be the last day, but not the least, with the 12th annual Festival marathon beginning at 9:30 a.m. from the park. It's six miles for the seniors and three for juniors, and there will be a lot of East Bay top-flight runners entered.

The wonderful Walnut Festival is here again, and already people have flocked into the festival grounds to see the sights, smell the enticing aromas of the booths, and enjoy themselves in the carnival atmosphere.

So that you may have a list of the feature events, the following program is printed as a public service.

2 p.m. Main gate open. Exhibit tent, concessions, art show, amusement rides, etc., open.

8:30 p.m. Bob Crosby Show, with the Bobcats and

11 a.m. Gates open. All operating amusement rides at reduced prices for children under 12 until 5 p.m.

11:30 a.m. Annual Children's Costume Parade, forming at Walnut Creek School.

2:00 p.m. Special children's stage show, Walnut Festival Recreation Center.

3:30 p.m. Repeat performance, children's stage show.

8:30 p.m. Bob Crosby Show, with the Bobcats and Modernaires, Walnut Festival Amphitheatre.

10 p.m. to 1 a.m. Coronation Ball, Recreation Center, Bob Crosby and the Bobcats.

SUNDAY

9:30 a.m. Twelfth Annual Walnut Festival Marathon. Six miles, sanctioned by AAU, Pacific Association. Start and finish at City Park entrance.

11 a.m. Exhibits, amusement rides, concessions, etc., open.

1 p.m. Nineteenth Annual Walnut Festival Parade, west on Broadway, north on Main Street to Ygnacio Avenue.

4 p.m. to 6 p.m. Free entertainment. Walnut Festival Amphitheatre. Folk Dance Exhibition and tumbling acts, etc.

Two Accidents Cause Injuries

Two injury accidents occurred in Walnut Creek this week.

Mrs. Rachel Lesque, 40, of 2904 Hillsdale, Walnut Creek, suffered a possible hip injury last Saturday when her car collided with a coupe driven by Gary Lee Atherton, 17, of Concord. The scene was at East Street and Lacassie.

Mrs. Lesque was cited for not having a driver's license in her possession, and Atherton for failing to observe a stop sign.

When a car hit a telephone pole at Davis and Oakland Boulevard, its driver Phillip Bodway, 18, of 51 Haven Lane, Walnut Creek, and passenger, Norris Hinton, 22, of 1161 Dewing Lane, were injured, and taken to the Kaiser Hospital.

The accident occurred Monday night. Bodway said that another car coming east on Oakland Boulevard, forced him to speed up in crossing, headed west on Davis and this resulted in the crash.

Bullet Hits Door

A .38 caliber bullet, lodged in the door frame of a house at 268 Los Cerros in the Eichler Tract, brought speculation at the Walnut Creek Police Department last Friday. Officers said it had been fired at a great distance from the point of impact.

## Alamo Subdivision Pros, Cons Heard by Planners

An estimated 80 residents of Alamo, headed by Don Hardie, president of the Alamo Improvement Association, opposed rezoning for the "Round Hill" subdivision on the Squire and Mott-Durham properties, Tuesday, before the County Planning Commission.

The hearing was closed, and the matter was taken under advisement by the Commission, which will recommend to the Board of Supervisors later.

WHEN planners called for a show of hands by those against rezoning to half and third acres, about 40 persons responded, but their number was almost doubled later in the meeting, Hardie said.

The land concerned is the same which Philip Heraty, Oakland developer, attempted to rezone last year. The Planning Commission was negative when residents claimed that the San Ramon Valley General Plan would be violated.

The proposal this week was for division of 410 acres into about 700 lots, earlier described by realtor Harlan Geldermann as a "modern residential community."

Geldermann represents the Chesapeake Company of Berkeley.

Edward Moore, chairman of the board, Alamo School District, said that the original location for the school suggested by the developers was unsatisfactory, and that he was informed that the board could pick its own site.

"We have heard nothing since then," he said.

The rezoning would be for R-A and R-1-B, allowing half acres, and also 15,000 square-foot lots, or three acres.

Geldermann has said that he plans less than 100 lots under 15,000 square feet, and that an equal number will be more than half an acre in size.

## Alamo Petitions Available Tomorrow at Local School

Alamo residents who want incorporation can sign petitions tomorrow morning from 9 to 12 at the Stone Valley School, according to John A. Fraser, petition chairman for the Alamo Improvement Association.

This will mark the end of the first week during which about 40 workers have been taking the petitions from home to home in the area, stating reasons why the city-status would benefit property owners and businesses alike.

It is hoped that in two or three weeks, the Association will have some 400 names to present to the Contra Costa Board of Supervisors, who will then set hearings, prior to an election.

THE PETITIONS must have 25 per cent of the property owners, holding at least 25 per cent of the assessed valuation. There are about 3900 men, women and children in Alamo.

A report by Kroeger and Associates of San Francisco last April said incorporation is feasible. Less than \$15,000 of some \$80,000 needed to run the government would come from property taxes, it stated.

At that time, a meeting was held, and people who attended voted 49 to 2 in favor of incorporation, although a large number abstained from voting, and asked for more time to consider.

Preliminary to circulation of petitions, another meeting was held recently, and a large crowd heard Gardiner Bullis, Los Altos city attorney, and Elwood Innes, of the Kroeger firm.

BULLIS SAID that Los Altos Hills incorporation in 1952 was successful despite the fact that there are only about 2000 people there. They were able to lower the original 25 cent tax to 22 cents after three years, he said.

Los Altos, like Alamo, wanted incorporation to gain local con-

## County Planners Nay on Three PH Zoning Requests

Five Pleasant Hill zoning applicants were heard by the Contra Costa Planning Commission in Martinez Tuesday night.

Forest Lea's application for 1.6 acre southwest of the new state freeway was denied as was Hugh B. Warnick's request for a little more than one half acre in the same area.

The Della Edmeades request which was opposed by the residents of the area and the Pleasant Hill Civic Council was denied. The request was for .45 acres at the junction of Pleasant Hill Road and Grayson Road be rezoned from residential agricultural to neighborhood business.

Requests of Dana Slater and R.L. Koehner asking 45.45 acres in northern Pleasant Hill be rezoned to retail business were turned over to the planning staff by the commission.

The entire application is being opposed by the Pleasant Hill Civic Council. College Park Improvement Association, which became a member of the council Monday night, sent representatives to the planning commission to further opposition to the rezoning request. The planning staff was instructed to prepare a study of the best uses of the land.

## Local Couple Die In Murder-Suicide

A Pleasant Hill couple was found dead at 1519 Sunnyvale Avenue last Thursday evening by Mrs. Nellie Collins according to the Contra Costa Sheriff's department.

Dead were Mr. and Mrs. Joseph Bernard Fleerlage. Fleerlage was a pipefitter and his wife Lorraine a civilian employee at Parks Air Force Base.

Deputies believe that Fleerlage shot his wife and then took his own life. Detective Lee Gallamore said the double shooting was discovered about 7:15 p.m. when Mrs. Fleerlage's daughter, Mrs. Collins, returned home from work. She is employed by a Walnut Creek auto dealer. She was Fleerlage's step daughter.

Deputies said Fleerlage used a .22 caliber pistol, firing a single shot into his wife's heart. He turned the gun on himself and fired a single shot into his own heart.

Investigators were told Mrs. Fleerlage had filed divorce proceedings against her husband last July.

Mrs. Collins told sheriff's deputies that her step father must have been hiding in the house when her mother returned from work about 7 p.m. She said that he had taken the family dog, killed it and left it on the front lawn in July.

Fleerlage had been sought by deputies for investigation of four bad checks totaling \$75 and passed in the Pleasant Hill area, according to the deputies.

Norman Wilson, Chief Walnut Creek Sub station, said Fleerlage's present address was unknown. Fleerlage was 65, his wife, 50.

## Wilkinson Rites Held in Berkeley

Private services were held for Robert L. Wilkinson, 37, teacher at Pleasant Hill High School, who died at his Berkeley home Sunday.

Wilkinson was found by his wife, Norma, in the basement of their home at 18 Hillside Court.

Mrs. Wilkinson told officers he had been despondent over a heart operation for which he had undergone surgery three years ago. The death resulted from a self-inflicted gunshot wound, said police.

Surviving Wilkinson are his wife and two daughters, Amy and Julie.

## Area Wide District Named As 'Solution to Problem'

Members of the Citizens Water Committee urged 40 representatives of civic, fraternal, service and social organizations in the California Water Service area to back a publicly owned comprehensive water district.

In a two and one half hour session at Fair Oaks School Wednesday night, Frank Hanrahan, chairman, presented Craig Randall, who outlined the possible solutions to the water problem in the area. He also explained the impending water shortage which is facing residents.

IN A DISCUSSION of a proposed Concord water district and a Pleasant Hill water district, (such a system is not favored by the Citizens Water Committee), Randall pointed out that a comprehensive district would be a bigger political unit and could have more influence in Sacramento and Washington.

In further discussion it was explained that two districts could duplicate services whereas a single district for the entire area would be represented by all in the district and would have an overall view of the water situation.

ADVANTAGES of the system were shown in the Stanford Report made by the City of Concord last year. Tom Coll, Concord civic leader, suggested that a group from Pleasant Hill meet with the Concord delegation and investigate the formation of an area wide district over the two city plan.

He explained the legal aspects of the formation of a water district. He further outlined a plan devised by Tom McBride,

Concord city attorney. The plan suggested was the two city type, which the committee did not accept.

Bob Weihen of Pleasant Hill mentioned that a comprehensive study could be made such as that of the Central Contra Costa Sanitary District Brown and Caldwell report made in March prior to a \$8.9 million bond issue election.

YANK MARCUS of Pleasant Hill spoke in support of the area wide district as was presented by Hanrahan. Marcus asked the support of all the organizations in the study for the formation of an area wide water district.

"The consumers of California Water Service have been spared \$200,000 annually through the efforts of the Citizens Water Committee. In the six areas in which Cal Water asked for an increase ours is the only one which was spared from the entire amount requested," said Hanrahan.

"Whether or not such a district is formed is, of course, up to the voter. If then entire matter is brought to a vote and passes we hope to set up a temporary water district for the period of one year and conduct a thorough study of future needs and financing."

"IF THE STUDY proves we can get better water, cheaper, then the water district would again be put to a vote and made permanent, if passed," he continued.

"If the study shows we can not get cheaper and better water then we would retain the services of the present water system," Hanrahan said.

## PH Civic Council to Sponsor Teen-Ager Rec. Program

A mass adult sponsored meeting of civic, fraternal and service organizations is being planned by the Pleasant Hill Civic Council, Bob Kaemper, chairman of the Public Welfare and Protection Committee, told council delegates Monday night at Fair Oaks School.

Proposed by the Civic Council is a central youth organization for the entire Pleasant Hill area with members of the organization serving as its own governing body.

The cooperation of all adult Pleasant Hill organizations is being sought by Kaemper for the project. Speakers, all experts on juvenile problems and recreational functions will be contacted for the meeting, date and place as yet unannounced.

Kaemper suggested that an initial function of the teen-ager and sub teen-ager program could be a dance, planned and executed by teen-agers. After that affair teen-agers would be asked what they wish to do in future events.

Speaking to The Sun Kaemper stated that all in his committee power would be done to formulate a solid program for teen-agers and with the assistance of church and civic leaders the program could be highly successful in cutting the vandalism and petty crime caused by youngsters in the area.

## 'Back to School' Tuesday at PHHS

"Back to School Night" at Pleasant Hill High Tuesday, sponsored jointly by the Parents Club and school administration, will feature a visit by parents to each of their children's classes on an abbreviated regular school day schedule.

Beginning the evening's program will be a general meeting of parents and faculty in the multi-use room of the school at 8 p.m. and outlining the program will be Principal Arthur C. Bloom and Parents Club President Oliver Beckwith.

Introductions of individual faculty members will be given by the chairman of each department. The general meeting is scheduled to adjourn at 8:20 a which time parents will proceed to their children's first period homeroom classes. From 8:30 until 10 the parents will follow a regular school day schedule through a series of ten minute classes.

In conjunction with the Parents Club membership drive during "Back to School Night," all homeroom classes will compete on a percentage of membership of basis for a coke and donut party to be given to the winning class at the end of the week-long contest.

Chairmen of the event are Principal Bloom, faculty representative Bill Goins, and Parents Club membership chairman George Johnston.

## Civic Council Hears Transit Proponents

Proponents of the two-county transit district appeared before the Pleasant Hill Civic Council Monday night at Fair Oaks School at the monthly meeting of the organization.

Don Doyle and Robert Nisbet spoke on behalf of the proposed district. Decision on whether or not the Civic Council would back or oppose the district was postponed until the October 15 meeting when opposition to the district will appear before the council.

Doyle and Nisbet described the district and its purpose. The proposal will be on the November 6 ballot.

They explained that the idea at this time is to form the district and to elect directors who would study public operation of a transit program for Alameda and Contra Costa counties. The board of directors, if the district were formed, would, after study, decide if operation of a transit facility would be feasible. If it were, an election would be called needing two thirds majority to float a bond issue.

Nisbet pointed out that Central Contra Costa is in need of some form of inter-urban transit. Inclusion in the district even after the election in November will be up to the individual areas.

IT WAS A BIG MOMENT for Bud McCarthy, fourth from right, when he received the gavel as new president of the Walnut Creek Kiwanis Club last week. The presentation was by Fred Silvey, lieutenant governor, Division 26. Left to right are the new officers: Harold Ager, treasurer; Gene Williams, vice president; Dick Smith, director; Silvey; McCarthy; Gene Maroney, secretary; Irv Magill, director; and George Hill, director.

# Where's Everybody? - At the Walnut Festival, of Course!

BOB CROSBY, famous television and radio performer, talks over his plans for entertaining the people tonight and tomorrow night during the Walnut Festival. His entire band, the "Modernaires," and his daughter, Kathy, will be on hand at the city park amphitheater. Listeners are Terry Ring, left, Rowland Barrett, Festival Association president, and Vance Perry, at right.

## 'Nick' Carter, Former Navy Admiral, Heads Realtors

Jesse H. (Nick) Carter, a real estate broker in the Walnut Creek area since his retirement as a rear admiral, U. S. Navy in 1950, was elected new president of the Contra Costa Real Estate Board Monday, during a breakfast meeting.

He succeeds Barney Gilbert who has held the post for a year.

Carter was graduated from the Naval Academy in 1920, finishing up in three years instead of the customary four, and served as a line officer during most of the next 30 years.

HIS LAST POST was that of chief of staff at Treasure Island. Just before that, he was chief of staff to Admiral Radford in the Pacific area.

During World War II, he was a

## Down Payment For New Homes Is Lowered

Many Contra Costa families are in a better position to become home owners as the result of recent changes in the law governing the operation of the Federal Housing Administration program.

Barney Gilbert, president of the Contra Costa Real Estate Board said.

"Realtors are pleased with most of the amendments made to the housing act by the last Congress because they make home ownership easier."

A FUNDAMENTAL goal of our National Association of Real Estate Boards is the protection and spread of real property ownership. In fact, the adoption of certain facilitating amendments is due in large degree to their support by NAREB in the interest of the public.

## 100,000 Expected to Visit Home Parade by Sunday

Attendance mark for the Rheem Valley Parade of Homes which ends Sunday, is expected to pass the 100,000 mark this weekend.

Parade Chairman Jack Eymann based his estimate for the Parade's overall attendance on figures which had passed the 60,000 mark by midweek.

Eymann said the home exhibition surpassed original attendance estimates and he extended personal thanks, on behalf of the participating builders, for the warm public reception given the event.

Parade offers an entire country block of homes for inspection and comparison of the latest features in luxury living. Lots for the homes vary from one-half acre lending additional emphasis to the outdoor living facilities which are a part of each residence.

All the homes are decorated, furnished and landscaped, and each is built by a different construction firm as a sample of the homes being erected by that firm in other Contra Costa locations.

A special half-acre recreation area has been set aside and fully equipped for children's enjoyment. It is divided into two sections, one with special equipment and toys for the very young, the other, planned and equipped to entertain youngsters of grade school age.

The Parade, under sponsorship of the General Contractors Association of Contra Costa County, is the only one of its kind in the Bay Area and is being held in Rheem Valley on Morgan Road, one-half mile south of the new shopping center.

Admission and parking are free. It is open from 10 a. m. to 10 p. m.

## Orinda Youth On Crosby Show

Thirteen year-old Mario Guarneri of 58 Orchard Road, Orinda, will play trumpet as part of the Bob Crosby Show, tonight and tomorrow night at the Walnut Creek city park amphitheater.

Now a professional musician the boy started playing the trumpet just before his eighth birthday.

## Orinda JayCees To Map Future, Elect Officers

The third organizational meeting of the new Orinda Junior Chamber of Commerce will be held Tuesday at the home of Horton Hill, 144 Overhill Road, Orinda, at 8 p.m.

Program for that meeting includes the election of officers for the current year. A program to cover projects that will be worked on during the next few months will be planned.

Interested young men in Orinda are urged to come to this meeting and participate in the founding of this chapter.

Further information can be obtained from Jack Martin, temporary chairman, 36 Ardor Drive, CL 4-3220.

## Festival Parade Has 57 Entries; Perry Is Marshal

Everybody loves a parade! And the Walnut Festival Association has promised that a truly spectacular procession will fill Main Street of Walnut Creek at 1 p.m., on Sunday.

PARADE Chairman William R. Martin lined up 57 entries, including floats, bands, marching units, vehicles, and unique forms of transportation, drill teams and military tanks and jeeps, which will take about two hours to get from Main and Broadway to Camplin.

The route will follow Main Street to Ygnacio, and east on Ygnacio to Camplin.

In the lead will be police units, and four members of the famed local "Thunderbugs" on their motor scooters.

Close behind will come Walnut Creek Mayor E. C. Counter Jr., city councilmen, U.S. Congressman John Baldwin, Assemblyman Donald Doyle and other dignitaries.

THE CROWDS will get a good look at Vance Perry, the parade's grand marshal, and the radio "Queen for a Day," who was picked two weeks ago in Hollywood.

Public address systems along the way will be handled by the Toastmasters under Phil Canville.

One of the most eye-catching floats will be that of the Walnut Festival queen, chosen from nine candidates for the honor.

Here are the parade participants, not listed in order:

Contra Costa County Palsy Society, Las Lomas High School, Walnut Creek 20-30 Club, Salvation Army, Children's Winning Float, Central Fire Protection District, Albany Jr. Chamber of Commerce, Y.M.C.A., Optimists Club at Walnut Creek.

Concord Masquers, 1st AAA AW BN, USMC marching unit, Contra Costa Drum Corps, Otis J. Preston, 1917 Harley Davidson motorcycle, Concord Odd Fellows, Rebekahs and Theta Rho, decorated car, Mt. Diablo High School Parents Club, Rio Vista Water Carnival and Bass Derby, Oakland Band, San Ramon Valley Union High School.

Presidents - Sixth Army honor guard, Black Hawk Post 67 VFW of Sacramento, Diablo Valley Girl Scout Council, Barbara Mercer's Pepperettes, Honor Guard Platoon of the Men's Military Drill Team, the Presidents Sixth Army Drill Team, Sixth Army Band, Pleasant Hill High School Band.

JOE'S DAUGHTERS Bethel 94, U. S. Marine Corps Band, Green Patrol Drill Team of the Native Daughters of the Golden West, Walnut Creek Doodle Bug Club, Antioch Firemen's Association, 49th Reconnaissance Company, Van Horn Motors, Mt. Diablo High School Band.

Thomas Dooney High School, Berkeley Farms, Mt. Diablo Business and Professional Women's Club, Disabled American Veterans, San Lorenzo Strutters, Bay Area Horseless Carriage, First Anti-aircraft, USMCR Anti-aircraft Tank, Alhambra High School Band, Bertha Wachters, Soltau Swim School, Bethel 37, International Order of Job's Daughters, Loyal Order of Moose, Las Lomas High School Band, Albany Chamber of Commerce, Walnut Creek Post 115 Inc., Lucky Lager Brewing Company.

EVERYBODY LIKES to get into the act! That's Vance Perry's view, as he drives the last stake for the big tent at the Walnut Festival grounds. Onlookers, left to right, are Larry Pinard, Chamber of Commerce's secretary-manager, Michael Jose, Earl Baca of 1832 Sunnyvale Avenue, Terry Ring, Mike Mssone of 1872 Sunnyvale Avenue, and Arthur Baca.

## 80 Starters Expected In Festival Marathon

With 65 entries by mail it seems certain that Sunday morning's 12th Walnut Festival race will have 80 starters. Last year 60 started.

Starting time is 9:30 a.m. from City Park entrance on Ygnacio Road. The 1.9 miles course is down Ygnacio to Walnut, on Walnut to Sierra, on Sierra to Walker, along Walker to Main Street, down Main and around Ygnacio to finish where race began. High school runners one lap, seniors three times around.

High School record by Herb Glee, El Cerrito, 9 minutes 31 seconds.

Wilford King, Stanford, holds the senior record in 30 minutes 10 seconds.

San Ramon and El Camino high of Sacramento have both entered 10 boys, Lowell, 9, Mission 5, Piedmont 3.

Stockton "Flying A" with 6 entries is red hot to win the senior team trophy. High school runners will run as unattached so as not to jeopardize their high school eligibility.

Trophies to the 1, 2, and 3, and medals to the next 12 to finish the senior race only.

Coach Bob Vincent of San Ramon has entered; Arne Knudsen, El Cerrito.

AN ART SHOW will be designed to delight visitors to the Walnut Festival today and tomorrow and Sunday at the Recreation Hall. Barbara Gilson is one of the girls whose work will be shown under the sponsorship of the Diablo Art Association. There will be no admission charge. Hours will be today, 2 to 7 p.m., tomorrow, 10 to 7, and Sunday, 10 to 5.

## Artists to Show Works Today Through Sunday

The Walnut Festival Art Show, public to the end that a better community may result, call upon the visitors to be judge and jury of their work.

Ribbons will be awarded by popular vote to entries judged outstanding and a cash award will go to the best of show, Mrs. Marian Love, president of the D.A.A., announced today.

The D.A.A. meets every fourth Monday of the month at which time the public is invited to witness a program by an artist outstanding in his field.

Monday Carl Thorp will be the guest and he will demonstrate painting with the palette knife. Coffee is served and it is the procedure to view the newest works from the working artists. These meetings are free to the public.

September 30 a Sunday sketch trip is scheduled and all those wishing to participate will meet at the workshop, Main Street and Botelho Avenue, 9:30 a.m. A note will be left on the door so that stragglers may pick up the trail and follow. Bring your lunch.

This exhibition will be open to the public from Thursday through Sunday. Members of the group will be present to answer questions by visitors.

Meetings are one the second Thursday of each month at the Walnut Creek Recreation Center at 8 p.m. Eric Swenson is president.

## Alves Pools Has Display At Festival

Alves Pools of 3339 Mt. Diablo Boulevard, Lafayette, has a large display at the Walnut Festival. Four salesmen are on hand to give information and to show the equipment.

"The equipment shows quality and beauty," says Cary Pedrazzini, superintendent for the firm. "Also, the public is invited to see our main office in Lafayette."

Owner of the firm is Manuel Alves. The company has been at its present location about five months.

At the Walnut Festival, Alves Pools will award a portable barbecue (Goodwin of California) valued at \$150, to some lucky person. No purchases are necessary in order to win the barbecue, nor does the winner have to be present when the award is announced, Pedrazzini points out.

WHEEL ALIGNMENT

Having the wheels of your automobile aligned and balanced periodically is an important service function. Correct wheel alignment makes steering easier, reduces wheel vibration and eliminates uneven tire wear.

### Get-Acquainted Tea Held by Jaycee Wives

The annual tea given by the wife of the president of the Lafayette-Orinda Junior Chamber of Commerce was held at the home of Mrs. Hans Beetz, 3300 North Lucile Lane, Lafayette, last Sunday.

It was a "get acquainted" tea, and while past-presidents' wives Mrs. George Yorg and Mrs. Bob Hickey and vice-presidents' wives Mrs. Cameron Ashby and Mrs. Don Hall served refreshments, guests renewed old friendships and met the wives of new Jaycee members.

In accordance with the suggestions of Jaycee President Hans Beetz, plans are being made to form a Jaycee wives' auxiliary, whose purpose will be to aid the men in their various community projects.

The season is off to a good start, with a large number attending the tea and expressing enthusiasm over suggestions for future meetings.

Those present at the tea included Mesdames Cameron Ashby, Bob Boyles, Clarke Coldren, James Dana, Don Hall, James Herrick, John Hess, Bob Hickey, Horton Hill, Richard Kohler, Charles Lendrum, Jack Martin Jr., William Records, Lee Schell, Jack Wenger, John Winchester, James Simonds, William Smith, Bruce Stringer, Edward Sullivan, and George Yorg.

The first evening meeting of the fall season for the Jaycee wives will be at the home of Mrs. James Herrick on Tuesday, October 9. Guest of honor will be Mrs. Jackson Eaves, wife of El Cerrito's Jaycee president, according to Mrs. Beetz.

### Ask Names for Board Election

Preparations for the Orinda Association's annual election of directors were started by the organization's Civic Affairs Committee Monday night.

Chairman William Thurston and Secretary Ramona DuBois asked that neighborhood organizations suggest possible candidates at the October meeting of Civic Affairs.

Four directors are to be chosen in November for 2-year terms starting in January, to replace outgoing Directors Mel Arighi, Frederic Sawyer, Caroline Harrison and Paul Pollaczek.

### Civic Affairs Reaffirms Stand vs. State Route

By unanimous vote, the Civic Affairs Committee of the Orinda Association Monday night reaffirmed its opposition to routes 1 (Redwood Canyon), 3 (loop south of Moraga townsite) and 4 (the state-favored route, an approximate straight-line course near Miramonte High School), in the Shepherd Canyon Freeway controversy.

The Civic Affairs resolution, adopted on motion of Clark Joiner of Rancho de Moraga, reiterated the Civic Affairs endorsement of the Indian Valley route (No. 2).

Some 40 persons participated in the discussion at the Orinda School library.

The group voted to send its reaffirmation directly to the California Highway Commission and Gov. Goodwin J. Knight, with copies to Assemblyman Donald D. Doyle and State Senator George Miller Jr.

The Highway Commission has scheduled a public hearing on the controversial routing of the western leg of the future Shepherd Canyon Freeway for 1:30 p. m. October 3 at Miramonte High School auditorium, in southern Orinda.

### Fall Finds Costume Increasingly Popular

Fall finds the costume more popular than ever, with its most popular version is the empire sheath dress teamed with a variety of tops from the caraco to full-length coats.

Newest of the short jackets is the caraco, which terminates at waistline, bustline or just above the hips.

### Ballot Measures To be Reviewed At Demo Meet

Pros and cons of the November ballot measures will be reviewed next Thursday evening when the Democratic Women of Orinda gather for their monthly meeting. Set for 8 p. m., the meeting will be held at the home of Mrs. Sid Kroff, 141 El Toyonal.

A speaker from the League of Women Voters of Concord will be guest of the local political group, and the issues will be discussed on a strictly non-partisan basis, according to program chairman Mrs. T. J. Titmus.

Also on the program will be Tom Saunders, a representative of the United Democratic Fund of Contra Costa County, who will discuss Democratic pre-election plans.

Interested members of the community are invited to attend the meeting, and may feel free to forego the partisan portion, stated President Mrs. Charles Hanks.

### Go to Church Sunday

#### Lutheran

"Being Watched" will be the theme of the Rev. Merle O. Tolson, pastor of Our Savior's Lutheran Church, 1035 Carol Lane, Lafayette, at the 8:15 and 11 a. m. worship services Sunday. Nursery accommodations are available at the 11 a. m. hour.

Sunday School meets at 9:30 a. m. and 11 a. m. with a complete Sunday School for pre-school children through adult bible class meeting at 9:30 a. m. The high school group, the Alpha Chi, also meets at this hour. At 11 a. m. there are classes for pre-school through grade 3 only.

Tuesday morning at 9:30 a. m. the women's sewing group will meet at the home of Mrs. Ed Rodman, 1025 Willow Drive, Lafayette.

Tuesday evening at 8 p. m. the Board of Deacons will meet at the church.

The Mid-Week Bible Study will meet Wednesday evening at 8 p. m. at the home of Mr. and Mrs. David Saenger, 25 Lost Valley Drive, Orinda.

The Senior Choir, under the direction of Richard Hansen, will meet at the church at 8 p. m. Thursday evening.

#### Baptist

Sunday School begins at 10 a. m. Sunday at the First Baptist Church of Lafayette. There is a class for any age.

"What Is Expected of the Believer?" will be the topic of Pastor A. R. Rutledge at the 11 o'clock morning worship hour. Evening services begin at 7:30 p. m.

All services of the church are held at Dick Mathis' Stationery Store, 969 Moraga Road, Lafayette—across from the Fire House. Nursery care is available for all those wishing it and there is ample parking at the rear of the building.

#### Community

Rev. Chauncey E. Blossom will have as his sermon topic at the 9:30 and 11 a. m. services "A Modern Man Looks at Miracles" at the Orinda Community Church.

Under the direction of Maurice Ellison the Women's Choir will sing "Lift Thine Eyes" at the 9:30 hour. The Chapel Choir will sing "O Be Joyful" at the 11 o'clock service.

Selections by Hesse, Sojourner and Zientarski will be played on the organ by Mrs. Patricia McGee.

Church School for all ages through high school will be held at 9:30, and through the 8th grade at 11 o'clock.

Pilgrim Fellowship groups will have their regular meetings at the church—Junior Hi at 4 p. m.; Senior High at 6:45 p. m.

Dianate will meet Monday, 8 p. m. in the Livingstone Room. The Council will meet Wednesday, 8 p. m. in the Livingstone Room.

There will be an Information Class for new members on Thursday, 8 p. m., in the Livingstone Room.

Shipmates will meet at the home of the Albin Harmon next Friday, 8 p. m. The program will be on the relocation of the American Indians, by Judge Raymond Peters.

Clipper Club will have a progressive dinner next Friday at 7 p. m., with the first two courses at the Carl Gravelle's, 42 Irving Lane, and the dessert course and program at the home of the Fleners, 52 Acacia.

William Mitchell will present an illustrated talk on "Indians of Mexico."

#### Episcopal

Services of Holy Communion at 8 a. m. and Morning Prayer at 9:30 and 11 a. m. will be held on Sunday at St. Stephen's Episcopal Church, 12 Via Las Cruces, Orinda. Church School will meet during the 9:30 service.

The sermon at the services of Morning Prayer will be delivered by the Rev. Albert Lucas, vicar. Nursery care for pre-school children is available in the basement of the vicarage during the 11 o'clock service.

At 4 p. m. a service of Confirmation will be held with the Rt. Rev. Henry M. Shires, Suffragan Bishop of the Diocese of California, performing the rite of Lafayette on of Hands for a class of adult candidates.

On Wednesday, a mid-week celebration of Holy Communion will be held at 10 a. m. Nursery care is available during this service.

The Seabury (couples) Club will hold its first meeting of the year next Friday, at the home of Mr. and Mrs. Robert James, 10 Washington Lane. Joseph Redinger, newly appointed seminarian at the church, and Mrs. Redinger, who will be advisors to the club, will be introduced and refreshments will be served.

Couples interested in attending are asked to call Mrs. James, CL 4-5750 or Mrs. Charles Beckett, CL 4-5213.

#### Community

Worship services will be held at 9:30 and 11 o'clock a. m. Sunday at the Lafayette Community Church. Church School is at 9:30 a. m.

The minister, Rev. Chester R. Lewis, will continue his series on "The Church in Our World." Evening youth groups for Junior High and High School young people will meet at 7 p. m. The MYF discussion for Sunday evening will be, "Standards for Movies."

Monday at 8 o'clock all commissions are meeting in the church lounge.

Thursday at 12:30 p. m. the Woman's Society of Christian Service will hold its general meeting in the church lounge. Mrs. M. C. Godfrey, treasurer of the WSCS Conference, will speak to the group. Dessert will be served.

Sunday morning, September 30, the Methodist Youth Fellowship will entertain the Contra-Meda Sub-District at breakfast at 7 a. m. in the church. Breakfast is 50 cents.

### New Class Added At Miramonte; Staff Increased

Miramonte enrollment is nearly double that of last year as the new Orinda high school added another full class to include both sophomores and freshmen students. Enrollment stands at slightly under 400 students.

The school started last year with a freshman class. Classes will be added as the first ninth grade group moves up each year and freshmen from the elementary schools fill the lower grades.

Ten faculty members have been added to the staff:

Miss Margaret Annis, commercial subjects teacher, who previously taught at Hayward High; Robert Campbell, science instructor, who taught both in Sebastopol and San Francisco schools; Miss Yvonne Clavien, language teacher, a graduate of Stanford University;

The Giambuni, industrial arts, formerly at Brentwood High; Mrs. Grace Glorivigen, librarian formerly of Vacaville; Jens Lund, math instructor from Shannon, California.

Don Phillips formerly of Tule Lake, driver training teacher and assistant football coach; Miss Donna Riley, formerly of Santa Cruz High, social studies instructor; Miss Cherry Taylor from Analy High, Sebastopol, and William Teuschel, former instructor at King City High, both English teachers.

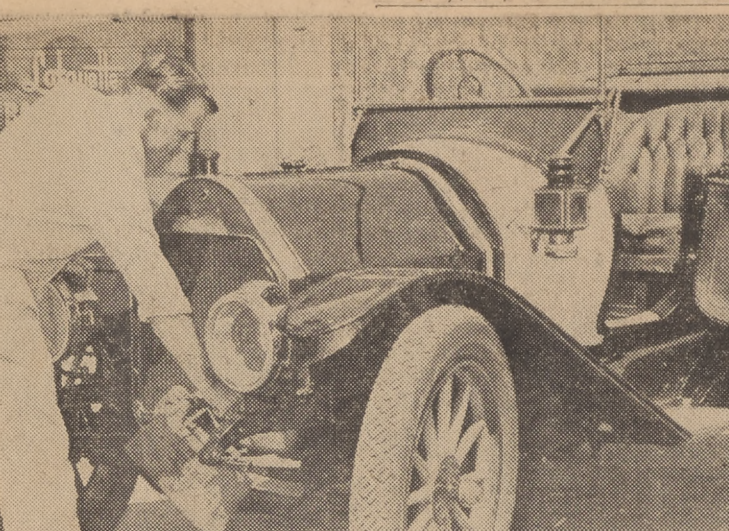

### Looking for Help? St. Mary's Boys Always Available

"St. Mary's boys can do anything... well, almost!"

That's what Brother Bede Edward, director of the college's placement bureau, is telling prospective employers looking for competent help.

Brother Edward announces that the St. Mary's students are available for all kinds of work. "And they're good workers," he claims. "They give that tired husband a chance to exercise his executive ability. Under his able direction they will dig that ditch, cut that lawn, get rid of those weeds, etc."

Baby-sitting is another task at which the students are adept, the bureau believes. Workers for these and numerous other tasks may be contacted through St. Mary's placement bureau, DR 6-4411.

### Moraga Dateline

By EVA THUNE, DR 6-5593

Fall is definitely coming into view. Leaves are turning color, walnuts are starting to drop and there is a slight (?) coolness in the air. At night, that is—and today, even a few dozen drops of rain stirred up the dust. A fore-runner of what to expect within the next few months.

Still, good news has come from Public Works Director Victor Sauer. Residents have been informed that an agreement has been reached between the Public Works Department, the County Flood Control and the Utah Construction Company, to relieve a local flood condition on Camino Pablo.

Work is scheduled to start immediately under the direction of County Engineer R. W. Lowe. Looks like we might miss the excitement of digging ditches and piling sand bags this winter.

Sunday will find the officers and directors of the Moraga Junior Horsemen's Association enjoying a 10 a. m. breakfast at the Jack London Square, Oakland, as guests of the California State Horsemen's Association.

All similar clubs of the Fifth Regional District will be represented. This means clean jeans and shined boots, kids!

### MOMS MEET

A large group of mothers and fathers turned out Tuesday night, fathers turned out Tuesday night to attend the first annual Moraga Mothers Club meeting, held at the Moraga School.

Both parents were invited to meet and become acquainted with the new teaching staff.

Due to the resignation of President Donna Colo at their August 23 directors' meeting succeeding president Mrs. Betty Parker made the welcoming speech and introduced the new officers and committee chairmen.

A brief review of the past history of the Moraga Mothers Club was presented by Mrs. Hilda Franklin.

Mr. Toll, new principal, introduced his teaching staff to the audience.

Refreshments were served by Mrs. Helen Griffiths and Mrs. Sarah Alaska.

September 28 is the date for the first Moraga Community Club

### Orinda Parents Receive 'Stock' As Interest Tab

Along with the start of school, parents of children in the Orinda School District received an unexpected "stock dividend."

Stock certificates were given each child to take home in the hope that parents would complete the "stub" and return it, thereby giving the district a tally on parental interest in school-family relations.

The stock certificate plan is the first public action taken by the Educational Advisory Council, a group of dedicated citizens which was formed last April as the Citizens Advisory Committee.

The council is a study group exploring education methods and problems within the Orinda District. It has no administrative authority but hopes to lend planning assistance to the School Board of Trustees when requested and to act as liaison when needed between the public and the schools.

The stock certificate plan was selected as an "eye-catcher" to induce response from the public. When the tallies are completed the council, and district, will know where primary interests lie as to school problems.

Thereafter, studies by the council and programs for the citizenry will be planned. It is anticipated that the latter will include open public meetings in the form of conferences or talks.

Many educators have endorsed the local plan and assistance is expected from such organizations as the University of California.

Parents who failed to return the stock certificate stubs to school with their children are requested to do so immediately.

### Miramonte Term Gets Kick-off

Miramonte High School students kicked off the 1956-57 school year recently with an assembly during which Principal James Lewis described the current building program at the Orinda campus and introduced student body president Bill Houston.

Houston presented his fellow student body officers:

Pamela Trefts, vice president; Bonnie Miner, secretary; Mary Foster, student secretary; and Randy Young, treasurer.

Student body officers stated that they hoped to map out a busy year of extracurricular activities.

# After Games What Can Teenagers Do?

Tonight and next Friday night thousands of spirited high school students in our communities will attend our high school football games. They'll cheer, yell and be deeply moved by the jubilation of victory or the gloom of defeat.

The game will be over in a couple of hours. Then what do these teen-age students do?

Well, for one thing, we can tell you what they don't do. They don't have a place to go for dancing and pleasant social companionship with fellow-students.

About the only thing they can do (unless they go right home) is to get on the highway, ride in their cars and possibly go to night spots. In the past, high school students have been known to have beer and drinking parties in their cars.

The football season will continue for a couple of months. Then will come the basketball season of a few months. So there will be many Friday nights during the next several months when this problem of youthful energy and no proper place to go will exist.

This is an unhealthy situation. For years The Sun has joined many people in the community in advocating that the high schools hold dances or other social affairs after athletic events on Friday nights.

This proposal has been made to the schools before — and the answer has been that the schools are forbidden, by school league rules, to hold social events after athletic events.

But rules are constantly being changed — in athletic procedures and in other fields. Each school has a vote in making the league rules. We recommend that this rule be changed.

The holding of dances or other social affairs after athletic events can be in cooperation with the school parent groups. And we're certain that many other civic groups and organizations would cooperate.

It is generally known that the real reason the school authorities don't want to hold dances after athletic events is that they fear that fights will occur.

But schools throughout the country — many of them in much more difficult areas than ours — hold such dances successfully.

Juvenile problems in our area are increasing — and there is no doubt that, as the area grows, they will continue to increase.

One of the best methods for coping with juvenile problems is to provide clean, healthful activities and facilities for that wonderful phenomenon, youthful energy.

Our high school district should again study this matter, should realize its seriousness and the need for a change and should take proper action.

## What They Say

### A Change in The Seasons

Take a look around you! Does the house seem a little emptier, now that the children have finally been trundled off to school?

Does the sky seem slightly overcast, and are the leaves of the tree outside turning brown and falling?

NOW LOOK at the calendar. Therein lies the explanation for these phenomena. That's right—autumn's almost here. In fact, Sunday is the first day of fall.

Like all the other seasons, autumn has its own characteristics and its own personality. If the romance of spring is missing the aesthetic quality of a world of changing colors takes its place. In contrast to the lazy summer atmosphere, fall is a time of renewed activity and vivacity.

To each individual, autumn carries its own, unique meaning.

Feeling the stirring of things in the air, your Roving Reporter stirred from his typewriter to ask some of the local folk what the advent of autumn meant to them.

"It means the end of relaxation," replied Mrs. George M. Hollidge, 20 Altair Drive, Orinda.

The coming of fall meant preparations for getting their children back to school for Mrs. Hollidge, and that's a big stir in itself, parents will agree.

"Things get hectic in the fall," she said. Her son George is a student at Miramonte High School, while daughter Marjorie attends the Pine Grove School.

AUTUMN ALSO means preparation for Ron Dallas, the son of Mr. and Mrs. Alfred J. Dallas, 68 Camo Sabrante, Orinda.

Ron was graduated from the University of California last June, and received his commission as Second Lieutenant in the U. S. Air Force.

"I go into the Air Force next January," he stated, "so now I'm just getting ready."

He'll be stationed at the Lackland AFB in San Antonio, Texas. The boot of the ball and the roar of the crowds are what Mrs. Douglas A. Mercier, 844 Broadmoor Court, Lafayette, most anticipates this fall.

"We're football fans," she claimed, "and that's the most important thing to us."

Mrs. Mercier added that her favorite team was the San Francisco 49ers.

Football was also looked forward to by Mrs. William Albert, 1074 Oak Hill Road, Lafayette, but she nevertheless isn't too happy about summer coming to an end.

"WE HAVE three boys playing football," Mrs. Albert stated. "But I'll miss the hot days of summer when we had the kids around."

Mrs. Richard Clark of 2946 Hillsdale Drive, Pleasant Hill, commented, "I'm hoping for crisp, dry weather this autumn, and none of that continual rain which came last year."

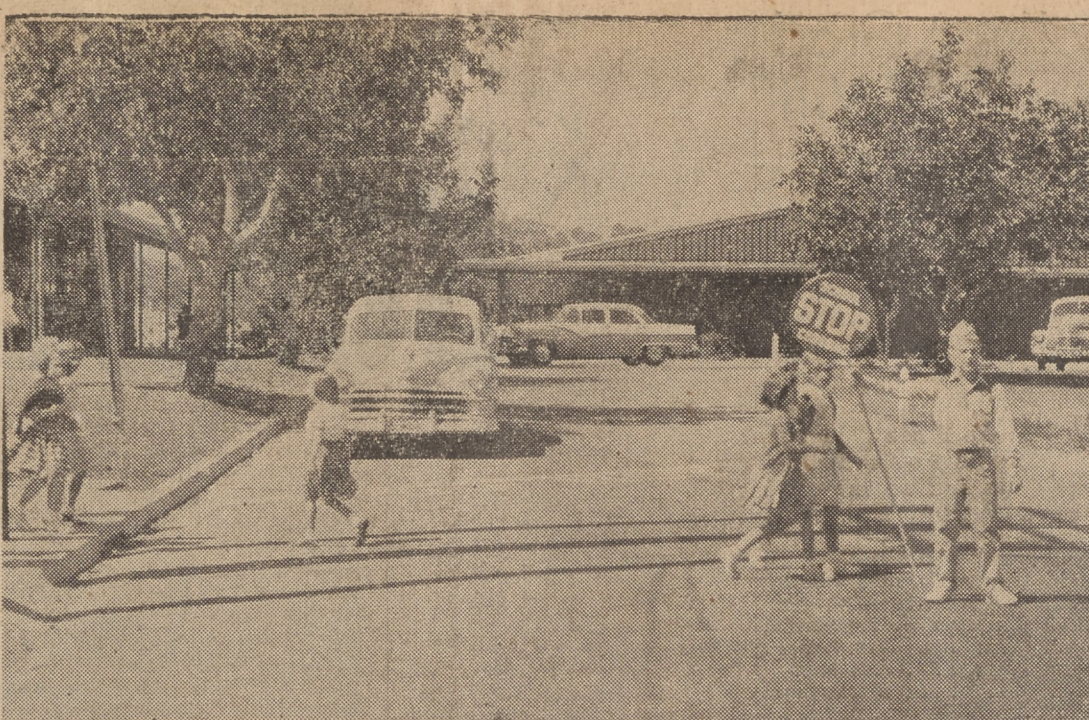

THIS AUTUMN, it's school which is uppermost in the mind of Mrs. Franklin Wright of 285 Nob Hill Drive, Walnut Creek — for five year-old daughter Ann began her education this month. "Ann attends Walnut Heights School, and she seems to like it," Mrs. Wright said.

It used to be the Los Angeles Rams for Mrs. Charles Kirkpatrick of 1973 Peggy Drive, Pleasant Hill, but since her family moved to Northern California two and a half years ago, it's been the 49ers on television.

"WE USED to attend the Ram games, but with a family of five children, we rely pretty much on television," she said.

An injured foot kept Mrs. Keith Braymen of 3248 Eccleston Avenue, Walnut Creek, out of activities last autumn, but this year she hopes to get out more.

"I was looking to club activities and the holidays, but had bad luck. I was especially interested in Junior Women's Club work," she said.

## Obeys the Traffic Boys!!

This boy is stationed on this corner to protect children. Many such boys are placed on many corners throughout Contra Costa for just such a purpose. It is his responsibility that children get from one side of the street to

another on their way to and from school. Give this boy a hand. Be courteous. Be patient. Remember, the traffic boy is ALWAYS RIGHT—Sun photo by Harold Haas.

## Letters to The Editor

### SAFETY SERVICE

Dear Editor:

Many times in the past two years since I have become safety conscious I have wanted to thank you for the splendid service you are rendering to the children and adults in the several communities served by your newspaper — making these communities safety conscious.

Many lives must have been saved and accidents prevented through your timely editorials and pictures illustrating unsafe conditions and warnings of corrective measures to be taken.

Just in the past two weeks since the start of schools you have had timely editorials warning motorists of caution on the roads and a splendid illustration of a school bus and the rules about stopping when the top red lights are flashing.

In this busy age no great public service can be done than urging the people to take time for safety!

### RHYME ABOUT ROAD

ODE TO SAINT MARY'S ROAD  
Dear little road, you are a disgrace  
With ruts and holes marring your face.  
My car sounds like a bucket of bolts  
Because of all your bumps and jolts.

Two hundred homes are going up around you,  
This means 200 more automobiles, too.  
You're not in condition for more wear and strain,  
If not from traffic, there's the fall rain.

I've heard money for your new face has been appropriated,  
Have plans been drawn and contracts negotiated?  
If not, what's happened to this money?  
Who's drinking milk and eating honey?

It seems the county has no pride in you  
Although we who need and use you do.  
Does anyone know when this suburban disgrace  
Will become a resurfaced, well-paved face?

MRS. S. G.

### WATER RATES

Dear Editor:

Why get all hot and bothered by increased water rates? Do you know of anything that is not going up? We have had recent rises in bus fares, prices of cars are going up following wage and price hikes in the steel industry. You have been getting and will get increased costs of everything you buy unless wages and prices are stabilized.

Probably after the bonds are voted and the contract awarded for the construction of a water system, costs of materials and labor will necessitate further money for construction. I hold nothing against California Water Company. Maybe their operation is not as efficient as it might be, but as long as labor and material costs continue to go up you will get no relief from high water costs.

## How to Evacuate Children? Schools Question Parents

Parents of students in Orinda, Lafayette and Walnut Creek elementary and high schools in the Alameda District will receive questionnaires today seeking parent preference on whether or not school children should be evacuated en masse eastward in the event of a disaster alert.

In a covering letter accompanying the questionnaire, school officials explained that civil defense directives say that "the best protection against atomic disasters is evacuation eastward."

Parents are being asked whether they want their children evacuated according to civil defense authorities recommendations or whether they prefer to have their children sent home on foot, since CD disaster plans eliminate the regular use of school buses and normal flow of highway traffic.

School officials hope parents will respond quickly so that detailed plans for disaster procedures for local schools can be worked out soon, and the public and parents informed of the procedure accepted.

The questionnaire survey is being conducted with the approval of the county civil defense office.

## Job's Daughters To Join at Meet

Lafayette's Bethel 218 of the International Order of Job's Daughters will be one of three Contra Costa Bethels participating in the semi-annual Grand Guardians visit next Wednesday evening.

Other Bethels present at the meeting, at which several new girls will be initiated, will be Bethel 247 of Danville and Bethel 248 of Walnut Creek.

Girls of Bethel 218 are currently hard at work on preparations for their Fall Fashion Show October 13.

The Bethel announces that tickets may be purchased from any member.

This worth-while program. It is our conviction that world peace can be achieved only through interest and understanding, and we feel most sincerely that this program is playing a vital part in "making us brothers."

"Walk together, talk together — O ye peoples of the Earth. Then and only then shall we have peace." This is our slogan. And our thanks to you for your help.

## Under The Sun

By Herman Silverman

### Contra Costa justice in action

"Well, boss," said Snoopy, the office cat, "The Sun certainly goofed last week."

How's that, Snoopy?

"Well, for years and years The Sun has been talking about Contra Costa County's District Attorney Francis Collins and his office—their inefficiency, favoritism, lack of law enforcement and feathering their own nests. You've ranted at length about the connections between Collins and the county's former gambling czars. You've yakked about the lucrative private law practice that Collins and his deputies spend so much time on. But last week you really had some powerful evidence and didn't use it."

I know to what you are referring—the dismissal of burglary charges by the district attorney's office against the son of a San Pablo city councilman. Snoopy, we purposely delayed using it because the metropolitan dailies hit the story so hard with front page stories and headlines. We've discussed the district attorney situation so much that we felt it would have greater impact coming from other newspapers first.

### Here we go—again!

But today let's talk about it. First, let's review the facts. The following are excerpts from the S.F. News, Chronicle and Tribune:

El Cerrito Police Chief Howard Thulin has demanded an explanation why burglary charges against John M. Snider Jr., 18, son of a San Pablo city councilman, were dismissed.

He addressed the demand to District Attorney Francis Collins, whose deputy, Mortimer B. Veale, requested the dismissal (because of "insufficient evidence") before Superior Judge Hugh H. Donovan.

Chief Thulin complained young Snider and James G. Groll, 21, were caught "red handed" burglarizing a furniture store at 10860 San Pablo Avenue. The charges against Snider were dismissed by Judge Donovan. Groll pleaded guilty and will be sentenced Monday.

Thulin said El Cerrito police caught the pair with a rented truck backed up to the store and said they had loaded a new washing machine on it. Evidence against Snider, the chief said, included his signature on the truck rental slip, his identification by the man who rented the truck and a signed statement by Groll that he and Snider planned the burglary.

### 'Influence and money . . .'

Thulin pointed out the preponderance of evidence against Snider and complained that the dismissal places all the blame on the other youth. His mother, Mrs. George E. Groll, called the action "a miscarriage of justice—I don't think it's right just because Snider has a little more influence and money than we have."

Collins found himself in the middle of a very hot situation. Quizzed by newsmen, he no longer even mentioned "insufficient evidence." He explained the action by saying that since Snider was planning to enter the Marine Corps, "this might well be a better method of rehabilitation." The youth had agreed to enlist in the Armed Forces and the dismissal would give him a clean record.

Collins admitted he was under considerable pressure from both sides—by Councilman Snider's friends to go light on the youth and his enemies urging the youth be dealt with harshly.

Now, Snoopy, let me climb upon a soap box. Let me emphasize that this is not necessarily an unusual case. It is only unusual in that the newspapers found it and played it big.

### History repeats itself

Perhaps the most flagrant case was in 1949, when Dave Kessel, former gambling czar and partner of Bill Pechart, was charged with bookmaking in El Cerrito. These charges were later dismissed on Collins' recommendations on grounds of (guess what?) insufficient evidence.

Ironically, the same police chief Thulin declared he thought they had a good case.

The State Crime Commission files list two calls from Pechart's ranch to Collins' home the day before and the day of the trial.

This column reported another case some months ago, when a Vallejo doctor had a whole batch of serious charges against him reduced by the district attorney. If you read the papers, you will see various report where charges have been reduced by the district attorney's office.

### See the right lawyers

An interesting angle to this is that more than occasionally the attorneys for the defense is the firm of Carlson, Collins, Gordon and Bold. This was so in the Snider and Vallejo doctor cases. Carlson, Collins and Company are the all-powerful, influential, wealthy law firm of the county. The district attorney's brother is the Collins of this firm.

Ask the guy in the know—if you want to get something done in the county, you had better see Carlson, Collins and Company. Another alternative is to retain the district attorney himself or one of his deputies—for certain types of work. Ask your attorney or a friend who is an attorney about the set up in this county. It is amazing.

Well, Snoopy, that's the story.

# About Our Happy Country Folks

By EDITH BOLMAN

We've met Francis and his two stand-ins

COMES A TIME in the life of practically everyone when, for all practical purposes, he has had it!

Now WE have reached that pinnacle, that epitome of important moments, that richness of experienced thrill, that instant of suspense and awe—we have met, face to face, mind you, Francis the mule. And his two stand-ins.

On a recent junket to Southern California we "did" Universal City. A perfectly devious producer who looked about 18 years old and spoke of sums so vast our mind began to wander (we can't absorb anything larger than the grocery bill—and stupendous though it may be it really isn't in the same class with producing a picture)—anyway, nice producer gentleman invited us to lunch, and lo—next table was Audie Murphy spooning some lunch into his small son—some of which went in, but most of which went on.

Next table to that were the beauty contest winners of many European countries, including the unbelievable-looking Miss Sweden (think she is also Miss Universe)—all done up in evening dress and chaperoned by a duenna who must have been beside herself if she was trying to protect the ladies against devouring masculine glances. As a matter of fact, we personally were so knocked for a loop by Miss Sweden's blonde gorgeousness we couldn't even look at the others.

Then to watch the filming of a psychological drama starring the up-and-coming Ray Danton. It was interesting to note that the director, producer, sound man, cameraman, et cetera, resembled a group of middle-aged businessmen discussing, in quiet tones, a company policy. Wasn't a pair of blue suede shoes in the lot.

Just like a helicopter . . .

Up to that point teen-age daughter had maintained a certain composure—then—a brief little foreign car the color of cream of tomato soup sped past with a very bald-headed gentleman at the helm—and she took off from a standing position just like a helicopter. All else we have to say about that is—jolly good thing Yul Brunner wasn't in low gear or she would have landed right in the front seat with him.

Then across a Buck Rogers sky alley called the Los Angeles Freeway to Anaheim, i.e., Disneyland. As we stared down at the City Hall, came to mind a little tune—Dum Dee Dum Dum, Ima Cop. You have all heard about or seen Disneyland but on the off chance you missed that dark little jitney ride through space known as Peter Pan's trip to Never Never land, suffice it to say it is not calculated to soothe the nerves of the harassed housewife.

We clung to our fragile go-cart and expected to be hurled through space like those early 3-D movies—where somebody else's bridgework suddenly departs from the screen and lands right on the tip of your nose.

Yep, it's a small world! . . .

While in Los Angeles we saw, of all things, advertisements for Loretta Baker Valley's "concise yet impartial summation of current affairs and provocative reviews of current literature." Yep—could hardly believe it—our own Mrs. Valley, who comes to the Bay Area every month, starting October 10, to give her marvelous talks on books, events and plays.

Her popularity has so increased over the last 25 years that now she speaks all the way from Seattle to Los Angeles, but all you have to do to get in on this treat is to go to the Orinda Theater the second Wednesday afternoon of each month, October through March. She will appear under sponsorship of The Orinda Branch, Children's Hospital of the East Bay.

The series of six tickets for \$7.50, and guests may be taken on any unused tickets. The Orinda Country Club will take you for lunch if you make reservations.

Definitely not to be missed by the Orinda matron who wants to keep alert mentally in spite of living in the country. Call us at CL 4-5378 for tickets.

That is all.

## Kappa Tau Holds First Social Meet

Kappa Tau chapter of Beta Sigma Phi held its first meeting of the new season September 4 at the home of Mrs. Lester Hobben, 3264 McVitt Avenue, Walnut Creek. The newly installed officers presiding were Mrs. Richard Teagan, president; Mrs. John McKenzie, vice-president; Mrs. Elmer Kaprielian, recording secretary; Mrs. Joseph Hall, corresponding secretary, and Mrs. Robert Richardson, treasurer. An installation dinner was held in May at the Crow Canyon Chateau, with chapter members and their husbands attending.

Membership chairman Mrs. John McKenzie and her committee have plans well under way for establishing a new Beta Sigma Phi chapter and a Nu Phi Mu chapter in the area, and an interesting and exciting rushing season is about to begin.

In August, at the home of Mrs. Earl Kuchta, Kappa Tau held its annual summer party benefit for the Lynn School for Retarded Children in Danville. Mrs. Kuchta, chairman of the ways and means committee for the coming year, and her co-chairman, Mrs. Phil Churchill, with the help of their committee, planned and executed a very successful evening of fun and enjoyment for their guests, including swimming, dancing, games and refreshments.

Proceeds of the benefit will purchase milk for the Lynn School. The chapter members also furnish cookies daily for the children. Other ways and means projects for the future include selling of Christmas cards, a fall rummage sale and a spring fashion show.

Chapter activities during the summer also included a social evening at the home of Mr. and Mrs. John Welser, the theme being "A Night in Hong Kong" where all present enjoyed a very tasty Chinese dinner. Social chairman Mrs. John Welser and her committee have several other socials on the agenda.

After the business meeting refreshments were served, furnished by the co-hostess, Mrs. Herbert Minster.

## Mrs. Court Will Review New Book

A recently published book, "Speak to the Winds" by Ruth Moore, will be reviewed by Mrs. Donn Court at the season's first meeting of the Book Section of the Lafayette Women's Club at the Veterans Memorial Building Lafayette, Tuesday at 1:30 p. m. Section Chairman Mrs. J. E. Barker has chosen Mrs. Charles Morrill tea hostess for the afternoon. Mrs. Merrill will be assisted by Mrs. H. W. Nelle, Mrs. Ellen Jackson and Mrs. William R. Dorsey.

## Woman's Club To Hear Duo On Tuesday

Walnut Creek Woman's Club members will hear the internationally known television duo, Jo Ann Crossman, pianist, and Donald Stenberg, baritone, husband and wife on Tuesday, at 12:30 p. m. luncheon in the club house on Lincoln avenue.

Mrs. L. P. Larsen, YE 4-4853 and Alfred Beers, YE 4-7061, have reservations.

Next Friday, The Ways and Means Committee, headed by Mrs. Frank Scothorn, will give a dessert garden card party at 1 p. m. in the Club House.

There will also be a bazaar. Tickets are \$1. A desert is planned.

Mrs. Robert Nelson YE 5-0876 and Mrs. Frank Scothorn YE 4-9285 have reservations.

## Humpty Dumpty Plans Party At Alamo Home

The monthly meeting of Humpty Dumpty Chapter Children's Home Society was held September 12. Main topic of discussion was the forthcoming cocktail party at the Donald F. Mostick home in Alamo.

General chairman of the party is Mrs. Peter Kane assisted by Mesdames Richard Moulds, Richard Benefield and Walter Crandall.

Proceeds from the party will be used to aid in the work of the Children's Home Society of California, statewide private adoption agency.

The Humpty Dumpty Chapter is making plans to participate in the Towhee annual tea sponsored by the Towhee unit of the Mt. Diablo Therapy Center.

Mrs. Boyd Dulaney was named chairman of the event.

## Gamma Phi Beta Gets Ball Rolling

Gamma Phi Beta alumnae of Contra Costa County met Tuesday night at the home of vice-president Mrs. Charles Hunt of Orinda. The meeting was the first in a new year of activity for the oldest sorority alumnae group of the area.

Highlight of the meeting was a report by Mrs. George C. Davis Jr. of Berkeley, an international officer for the sorority, on the convention which took place in July at White Sulphur Springs, West Virginia.

The chapter also made plans for its annual holiday party held each December and its spring bridge luncheon.

Mrs. William Patterson of Orinda is president of the Contra Costa alumnae. Mrs. Hunt is vice-president.

## College Grad Meeting Will Be Musical

Mrs. F. A. Leibold program chairman, announces plans for a meeting of the Orinda branch of the American Association of University Women which will be held Wednesday at 8 p.m. in Glorietta School Auditorium.

Mrs. John Dorr, Art Section chairman, has arranged musical entertainment to be offered by Mrs. Oscar Anderson, pianist, and Mrs. George Stratos, vocalist, accompanied by Mrs. Philip Lathrap.

The hostess committee, which Mrs. F. G. Cook heads, will include Mrs. A. O. Anderson, Mrs. P. D. Bush, Mrs. W. J. Dodson, Mrs. J. A. Maga, Mrs. A. P. Stack and Mrs. L. J. Trescony.

Installation of the first panel of officers will be conducted by Mrs. Alfred Allbirtz of Concord, first vice-president of the California state division.

The branch is celebrating the granting of its charter by the AAUW national president, Dean Anna L. Rose Hawkes, formerly of Mills College in Oakland. Until October 1 applications for charter membership in this branch may be made to Mrs. F. G. Cook.

Mrs. K. G. Ruppenthal is president of the local group. She was graduated from Lawrence College at Appleton, Wis., and has been a resident of Orinda for four years.

First vice-president is Mrs. John Gilmore, whose school was Iowa State. Mrs. F. A. Leibold takes office as second vice-president. She studied at UCLA with Mathematics her specialty, and she has made her home in Orinda for 10 years.

Other officers are Mrs. J. A. Benney, recording secretary, and Mrs. D. C. Young, corresponding secretary, both graduates of the University of California.

## Bill Tinay, Bride, Make Home Locally

William Tinay, son of Mr. and Mrs. John Tinay, 786 Solana Drive, Lafayette, will soon return from a Rockaway Beach honeymoon with his new bride, the former Miss Lee Marie Rahn, to establish a home at 3661 Mt. Diablo Boulevard.

With the bride's mother, Mrs. Elsie Rahn of Texas City, Tex., and William's parents attending the rites the couple was married August 31 at the Walnut Creek home of Lee Marie's brother and sister-in-law, Mr. and Mrs. Leon Rahn, 2073 Strand Road.

The bride was given in marriage by her brother, and her sister-in-law attended her as matron of honor. Ronald F. Tinay served as best man for his brother.

Nuptial vows were exchanged before an improvised altar banked with huge urns of white gladiolus and asters.

A white linen dress worn by the bride was fashioned with a ballerina style skirt. A small headdress of net and a corsage of pink rosebuds completed her costume.

The matron of honor wore a dress of pastel blue taffeta and a corsage of white roses.

After attending schools in Texas, Lee Marie was graduated from East Contra Costa Junior College, where the couple met. William was graduated from Alacalanes with the class of '53 and also is an alumnus of ECCJC.

## Lawyers' Wives Set for October Regal Legal Ball

East Bay lawyers and their wives are looking forward to the second annual Kate and Advocate Ball on Saturday evening, October 6, at the Orinda Country Club as the highlight of an eventful social season.

This gala event, sponsored by the Lawyers' Wives of the East Bay, will benefit the Legal Aid Society of Alameda County and will be one of the gayest formal affairs of the season.

Mrs. Nathan Gray, general chairman, announces that the theme of the Ball will be "Celestial" with "out of this world" decorations shimmering and sparkling in silver and azure blue.

Festivities for the "black tie" Ball will start with a cocktail hour from 7 to 8 p. m.

Dinner and dancing will follow with Jack Reed and his Country Club Orchestra furnishing the rhythms that were enjoyed at last year's Kate and Advocate Ball.

## DeRosas Mark 50th Year as Mr. and Mrs.

A cocktail party and buffet supper was held to observe the silver wedding anniversary of Mr. and Mrs. Joseph DeRosa at the home of his sister and brother-in-law, Mr. and Mrs. William Halloway on Bancroft Way.

Silver bells, white streamers and white flowers lent a festive appearance to the Halloway garden where the observance was held, with family and long time friends attending.

DeRosa is a native Californian. Mrs. DeRosa joined the Mt. Diablo High School staff 27 years ago. They were married in the Chapel of Flowers in Oakland in 1926. DeRosa is the postmaster in Concord.

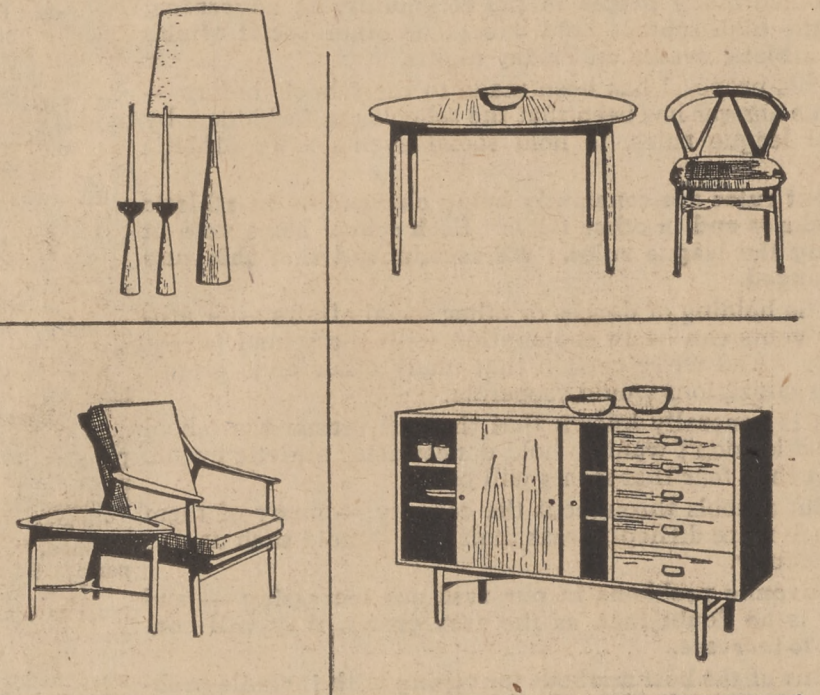

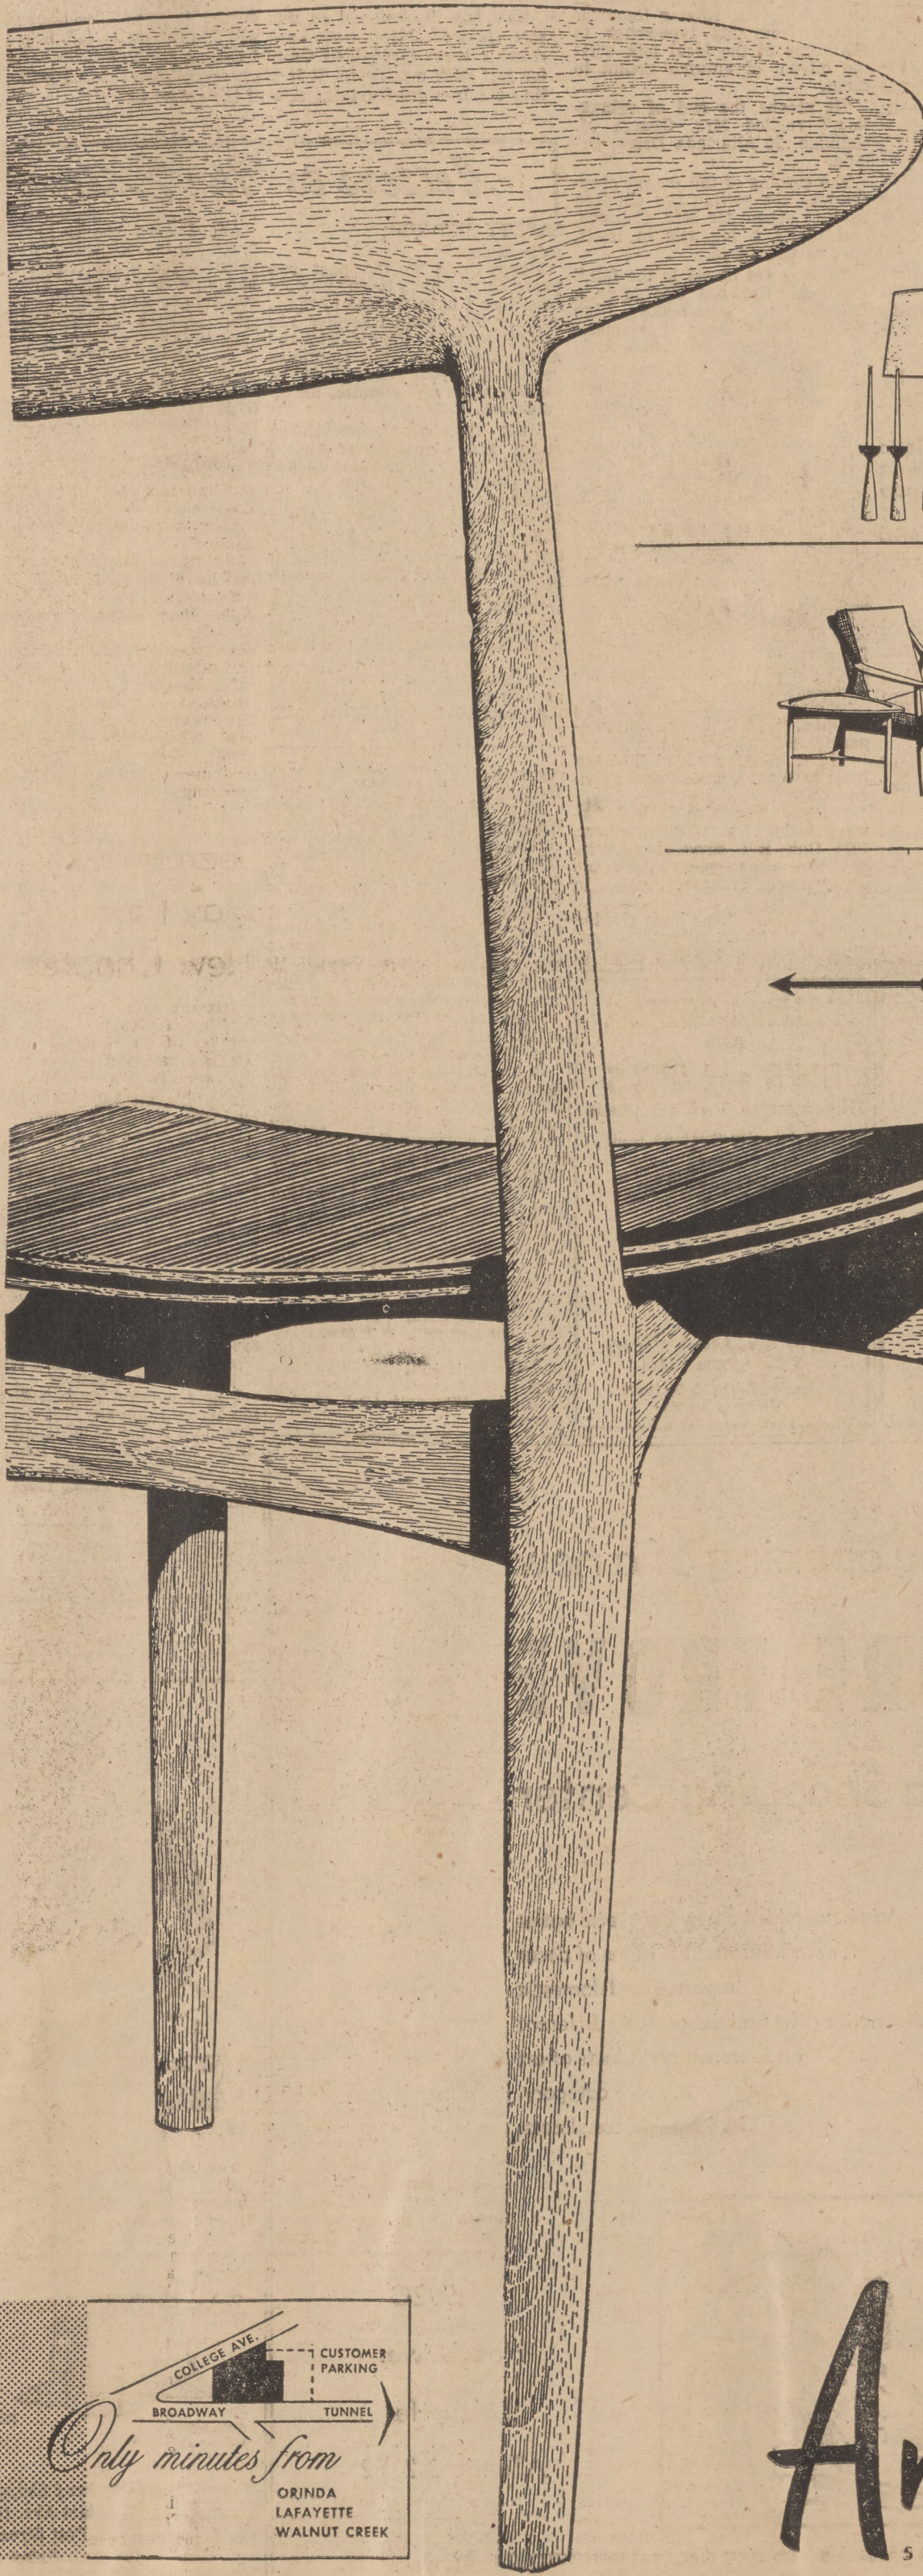

Guests included Mr. and Mrs. Joseph DeRosa Jr., Mr. and Mrs. Robert Phipps, Jerrie and Jackie DeRosa, Mr. and Mrs. Lawrence DeRosa, and Mr. and Mrs. Don DeRosa.

## Lois Tulloch Will be 'Heidi' At Fashion Show

Lois Tulloch, daughter of Mr. and Mrs. John B. Tulloch, Happy Valley Road, Lafayette, will be Heidi on October 18.

"Heidi" is the little girl who traditionally leads the fashion parade at the annual fashion luncheon given by the Heidi chapter of the Children's Society.

For the benefit of the adoption program of the Children's Home Society, this year's October show at the Castlewood Country Club will have the theme "Venetian Ventures," with Mrs. R. G. Falk and Mrs. J. P. Herrmann in charge of decorations.

Lois Tulloch will lead the models, who will be wearing clothes from H. Leibes of San Francisco down the runway among tables decorated with flowers and ivy filled gondolas.

Large photographs of Venice will cover the walls, through the courtesy of the Italian Tourist Bureau and the Italian Air Lines.

Mrs. Fred C. Vonguentner's name has been added to the list of models, announces Mrs. W. A. Siebert, model chairman.

Mrs. Robert Lockey is general chairman of the show.

Reservations may be made by calling Mrs. W. H. Minor, AT 3-6223; A. E. Shetvater CL 4-2986; R.P. Cornelson YE 4-4721.

## Thetas Set Style Stage

Local leaders of the Gamma Alpha Chapter of Theta Tau Theta sorority are currently making final preparations for the chapter's luncheon and fashion show October 13 at the Villa de las Palis, Oakland.

Proceeds from the affair will go for further assistance to the Children's Diabetic Summer Camp and for clothing and care of the leper colony in the Philippines.

Chairmen of the event include Mesdames: C. O. Schmitz Sr., 3450 La Caminita, Lafayette; Chris Schmitz Jr., 35 Santa Ana, Pleasant Hill; W. E. Grenfell Jr., 3330 Johnson Road, Lafayette; Paul Dalzell, 171 Kingsdale Court, Walnut Creek and Bernard Kelum, 1725 Lacassie Avenue, Walnut Creek.

## 'Your Week' to Feature Indian Summer Fashions

In an "Indian Summer" setting at Diablo Country Club, an expected 600 guests will enjoy luncheon followed by an advance showing of fall fashions next Friday.

Again, Laurel Junior Branch of Children's Hospital of the East Bay will stage this annual fall event.

An exclusive Berkeley apparel store will show an exciting preview of fascinating fabrics and rich color running the gamut from bulky tweeds to hand-embroidered laces.

Suits, coats separates, luncheon-date ensembles, dressy afternoon, "late-date" and dinner gowns will carry out the theme, "This Is Your Week."

Paul Speegle, popular San Francisco columnist, will comment in his hilarious style.

Mr. Speegle's approach is of the adlib and spontaneous meriment school, and this year's theme will provide abundant material, literally and figuratively, for his particular talent," says Mrs. Rodney Saylor of Lafayette, general chairman.

Assisting Mrs. Frank Avery in co-ordinating the show and selecting models is Mrs. Walter Snow Jr.

Mrs. Avery explains Laurel Junior's plan of the day is that "whether it's a P T A meeting luncheon in the city, having the boss to dinner, or any of the myriad demands on your time, Laurel Junior Branch plans to keep you fashion-wise and efficient during 'Your Week.'"

Reservations may be made by phoning Mrs. David Harper, AT 3-6032. Tickets are \$2.75, and luncheon will be served beginning at 12:30 p. m.

In charge of hostesses are Mrs. Robert Giffillan and Mrs. Robert E. Wieben. Assisting them in seating guests will be the Mesdames Charles Currier, Robert Harbaugh, Edward Malloy, James Moore, B. L. Smith Jr., Harlan Littlejohns, Neil Thrams and Edward Mannon.

All proceeds from this afternoon of food, fun and fashion will contribute to the part-pay care of small patients at Children's Hospital of the East Bay.

## Humming Bird Unit Meets at Lafayette Home

Humming Bird unit held its first meeting of the fall season at the home of Mrs. Kenneth Bone in Lafayette, September 4.

The no host, pot luck, swim party held at the Bill Evans Newell Avenue home on July 28 was reviewed as a high point of the summer's entertainments.

The Humming Bird Unit is also participating in staffing the concession run by the Therapy Center at the current "Parade of Homes."

An all member host, card party, will be given October 24, at the following homes: Mrs. Kenneth Bone, Mrs. Robert Finley associate, Mrs. Tom Bond, Mrs. Chet Hendrichs associate, Mrs. Richard Allen, Mrs. Joe Grace, Mrs. John Myers.

Tickets may be obtained from Mrs. Warren Pera, Miranda Avenue, Walnut Creek, phone YE 4-8524. Mrs. Jim Mathews is chairman with Mrs. Richard Allen assisting.

## Sorority Club Seats Officers

The first fall meeting of the Diablo Valley Kappa Alpha Theta Alumnae Club was held recently at the home of Mrs. Emerson Hall of Lafayette.

The meeting was followed by an afternoon of swimming.

Co-hostesses for the gathering were Mrs. R. E. Stevens and Mrs. S. B. Williams.

Officially assuming their duties were the group's new officers, including Mrs. R. W. Sherlock of Walnut Creek, who succeeds Mrs. W. J. Weiskirch as president; Mrs. B. A. Gaw of Orinda, vice president, and Mrs. Paul Matthews of Walnut Creek, secretary.

Board members Mrs. F. E. Breul of Walnut Creek, project chairman; Mrs. P. C. Winkquist of Orinda, publicity chairman; Mrs. Frank L. Dees of Lafayette, Panhellenic representative; Mrs. R. E. Stevens of Lafayette, rushing chairman, and Mrs. Stanley Williams of Lafayette, magazine chairman, also took office.

As its local service project, the club will continue to provide birthday gifts to the girls section of the Contra Costa Juvenile Hall.

## Crest View Jr. First Social Set for Tuesday

The Crest View Junior Woman's Club of Pleasant Hill will hold its first social meeting of the 1956-57 year Tuesday.

The meeting is open to husbands. On the evening's program will be a skit entitled "Fresh Variable Winds" by Norris Stirling. The psychological skit of relationships of father and son will be presented by the Hilltop players. The narration will be by Mrs. James Crothers. Mrs. Crothers will also lead the question and answer period following the play.

The rest of the cast includes Bill Skinner, Audria Cline, Kenneth Higes Jr., Peggy Ingales, Janet Sanford and Louise Peski.

The social meeting will begin at 8 at the Fair Oaks School on Lisa Lane and has been arranged for by club vice president Mrs. Harold Olson.

## Judy Brice Engaged to Ron Wilson

Mr. and Mrs. Richard Brice, 1016 Pleasant Valley Drive, Pleasant Hill, announced the engagement of their daughter, Judy Brice, to Ronald Wilson of Shagrin Falls, Ohio, at an engagement party at their home.

More than 50 guests attended the party. A large cake with the engagement ring motif inscribed "Judy and Ronald" was the centerpiece on the flower decorated table.

Out-of-town guests included Mr. and Mrs. John Schonert, former Walnut Creek residents, and Mr. and Mrs. Richard Rainey of San Leandro.

The couple plan to be married October 21, at 2 p.m. at a double ring ceremony at the Christ the King Catholic Church on Gregory Lane.

Matron of honor will be the sister-in-law of the bride-elect, Mrs. Raymond Powell; bridesmaids, Misses Marianne McCollom and Myrna Pratt, classmates of the bride-elect and both Pleasant Hill residents.

Flower girl will be Zosha Powell, half-sister of the bride-elect of Arabia; and ring bearer will be Ricky Powell, grandson of Mrs. Brice. Best man will be Al Dillon of Hayward, and ushers Richard Weiss of Pleasant Hill and Raymond Powell, the bride-elect's brother.

Judy is a graduate of Pleasant Hill Elementary School, and a '56 graduate of Pleasant Hill High where she was a member of the Girls Service Club. She is employed at the main branch of Wells Fargo Bank in San Francisco.

Wilson left in February with the Navy and returned early in August from a tour of duty that included Hong Kong, Japan and the Philippines. He attended school in Shagrin Falls, Ohio and graduated there before enlisting in the Navy, and is the son of Mr. and Mrs. Ross Wilson of Orinda. He will be with the American Maintenance Company in Oakland.

## University Women Plan Art Classes

The Walnut Creek Branch of the American Association of University Women is sponsoring two new art classes, open to members and to the public.

The first course will be a series of ten lectures on the piano, it's techniques and it's great composers to be given by Olivia Ure, gifted pianist and teacher.

It will be given on Tuesday mornings at 10 a.m. beginning next week. A fee of \$1.50 will be charged for each hour and a half lesson.

Eugen Neuhaus, professor emeritus of the University of California Art Department, will give the second class through the services of the Valley Art Center.

This will be a series of ten lectures on techniques of painting for beginners, and those with some previous training who wish a refresher course.

The first class will be given Wednesday, 10 a.m. to 1:30 p.m. Classes will meet regularly on Wednesday, and the fee for the ten lessons is \$1 each.

Persons wishing to make reservations or obtain additional information may call Mrs. James A. Perry, YE 5-5635.

The combined study groups of the Art Section of the Walnut Creek Branch of AAUW will meet Monday at 8 p.m. at the home of the Art Chairman Mrs. James A. Perry, 66 Alberta Terrace, Walnut Creek.

The program for this meeting will be given to an introduction of nineteenth century American art, the subject for study this year by the drama, music, applied arts, creative writing and dance groups which make up the Art Section.

## Local Ladies Join League

Fourteen young matrons from Contra Costa county will be among the 22 provisional members and five transfers from other leagues who will be introduced to the program of the Oakland Junior League at the first session of the intensive provisional training course. The meeting will take place Monday at the Junior Center of Arts at 7:30 p. m. The initial meeting will cover the history of the Oakland league and the Association of Junior Leagues of America.

Mrs. Milton Vail, chairman of the provisional committee this year, will introduce these speakers: Mrs. Harmon Howard of Walnut Creek, a former president; Mrs. Charles Jonas, current president of the Oakland league; Mrs. John Cooper and Mrs. A. F. Schultz of Danville.

Provisionals include Mrs. Philip Angell Jr., Mrs. James Gallinatti, Mrs. Robert Weeks and Mrs. Leonard Woods, all of Lafayette; Mrs. Robert Brorsen Mrs. David Brunson, Mrs. Blake Calder, Mrs. Fred Cummings, Mrs. S. M. Haslett III, Mrs. Joseph Longacre and Mrs. Robert Shurtleiff of Orinda.

Mrs. Lyle T. Wilcox of Walnut, formerly in the Long Beach league, and Mrs. Dana Gibson Leavitt, from Los Angeles and now in Orinda, are among the transfers.

## Don Sloan Is Married

Married Saturday in the Walnut Creek Methodist Church were the former Miss Doris Brodersen of Chestnut Avenue, Concord, and Donald T. Sloan of Placerville, formerly of this area.

The Rev. Philip Solbjor performed the ceremonies. A reception was held in the church social hall. The couple will live in Placerville.

The groom is a graduate of Acalanes High School. He attended the University of California at Davis, and is a member of the Placerville Elks Club and Lions.

Mr. Sloan is a rancher and office manager for the Agricultural Stabilization and Conservation Department.

The new bride graduated from Mt. Diablo High School.

Best man at the wedding was Clifford Tresidder of Walnut Creek.

## Gessler Will Speak at Youth Concerts Tea

Clifford Gessler, music critic for the Oakland Tribune, on October 3 will be a guest of honor and speaker at the campaign tea to be given by the board of directors of the Central Contra Costa Youth Concerts for the volunteer workers.

The tea will be from 2-4 p. m. at the James C. Perry residence in Walnut Creek. Mrs. Perry is president of the association.

Persons attending will be given subscription blanks and full information concerning the four concerts to begin in January and continue once a month on Sunday afternoons at Los Lomas High School. Season ticket price will remain the same. The season will again be opened with the entire San Francisco Symphony to be followed by the California Glee Club and Treble Clef Society, Stan Wilson, American ballad singer, and the Berkeley Youth Symphony.

## DH Pressbox

By MIKE FARMER

In 1954, when Pleasant Hill High School began playing varsity football, it was decided among the players and coaches that the team would not enter the school by the front steps after a defeat. For two years the team bus could be seen on Friday nights, driving around to the back of the school, which eventually became reserved for Pleasant Hill football players.

Last Friday night the bus stopped in front of the school and 33 jubilant players, two managers and two coaches poured down the steps. The score of the game was 32-6; the victims were the Livermore Cowboys.

Predictions had placed the Rams at the mercy of the Cowboys from the opening whistle. Situations kept them there—for a while. MIKE MAYNE kicked off for Pleasant Hill. John Turner made the tackle after a short gain. Livermore fought to a first down, but was then forced to kick. The kick traveled to the Pleasant Hill one, after having been touched by a Ram safety, and was recovered by the Cowboys. Irwin went over for the score.

The conversion was blocked by Ram end Dick Garren. Garren received the Livermore kick and returned it three yards. After a series of plays and a first down, quarterback Al Locatelli handed the ball to fullback Dan Ipson, who went off tackle fifty yards to the second TD of the game.

LOCATELLI RAN the conversion on an option play.

The Cowboys were held for three downs after the kickoff and were forced to punt. The ball hit an unsuspecting Ram player on the head and was recovered by Livermore.

Nine plays later, the Rams again had the ball and were on their way again. Halfback Mike Cereda and quarterback Al Locatelli each carried for three. Again the handoff was for Ipson, who drove off tackle to the opposite side for 48 yards. Locatelli rolled out and hit Garren on the five in a play that went 19 yards for the score.

The conversion failed and the score remained 13-6.

RAM CENTER Chuck Exner recovered a fumble following a kick-off and, after eight plays featuring a 10 yard run by Cereda and a 28 yard run by Ipson, halfback Bob March went over from the one.

The conversion was good on a rollout from Locatelli to Garren. The only other scoring threat in the first half came when March recovered Ipson's fumble and went 64 yards for the Rams. The play was called back on a holding penalty.

Pleasant Hill 20-Livermore 6 was the score at the half.

WELL INTO THE second half, Pleasant Hill was at it again. Ipson took the ball up the middle for 38 yards on the first play. Cereda followed with nine through tackle. An incomplete pass and a five yard penalty preceded two more runs by Ipson for 12 and 7 yards, the other for 12 and the T.D.

The conversion attempt was unsuccessful.

Livermore held the ball for 11 plays following the kick. When the Rams received possession, it took eight plays, featuring a 34

## How's Weather? Pick Up Phone

Pick up the phone and dial the weather forecast.

That's what you're now able to do in Orinda and Moraga since last Sunday.

The number to call is WEATHER 6-1212.

A recorded voice announces the latest bay region forecast, including the temperature, all provided by the U.S. Weather Bureau.

The 35 second forecast is changed at least four times a day. It will be changed more often, of course, should there be a sudden change in the weather.

The recording apparatus is set up to handle as many as 400 calls simultaneously and operates much like the telephone company's time-of-day service.

## Welfare Agency Seeks Helpers

Several volunteers are needed by a national welfare agency in the Diablo Valley area, to assist in a fund raising campaign. This is a job for those with administrative abilities.

Volunteers are needed to serve as co-chairmen, captains, and in other capacities, particularly in the Walnut Creek area. Training and orientation will be given.

For more information, phone the Volunteer Bureau of the Walnut Creek area, YE 4-0424, at 1640 Main Street. The office is open Monday through Friday, from 9 a.m. to noon.

## Insurance Meeting

Paul J. Arenson, 52 Dolores Way, Orinda, attended a special Leaders Conference of the Penn Mutual Life Insurance Company recently at the Cherry Hill Inn, Haddonfield, New Jersey.

## Huddle Inn Grand Opening Will Be Today, Tomorrow

Today and tomorrow are Grand Opening days at Huddle Inn, 3654 Mt. Diablo Boulevard, Lafayette, the new restaurant featuring flaming pizzas and other pizzas.

Hours on Grand Opening days will be the same as on other days at Huddle Inn—5 p. m. to 4 a. m. The new restaurant is a half-block east of Cape Cod House and is next to the Craig oil station. It is at the former location of Oliver's Patio Shop.

Owners Martin Bryman and James D. Jackson point out that in addition to flaming pizzas and other pizzas, Huddle Inn features spaghetti and ravioli and imported German beer on draught.

TO BE OPEN six days a week, Huddle Inn has an all-glassed-in kitchen, a "Garden House" in back with facilities for private parties of up to 75 persons, and ample parking space. The place has been completely remodeled.

Bryman was formerly assistant director at the Claremont Hotel, Berkeley, in charge of food and liquor. He lives at 817 Birdhaven Court, Lafayette, with his three children—Arnold, 18; Al, 16, and Bayla, 5. His wife, Ruth, died last May.

His partner, Jackson, is owner of Jackson's Party Service of Walnut Creek and Berkeley. Jackson lives at 83 Acacia Drive, Orinda, with his wife, Elaine, and their three daughters, Patricia, Sherry and Kathleen.

A preview opening was held last night (from 5 p. m. yesterday to 4 a. m. today), with all net proceeds benefiting the Mt. Diablo Therapy Center building fund.

As for flaming pizza, an account in the Huddle Inn menu describes it as being made from a "secret recipe" dating back to 79 A. D.

According to this account, the younger Pliny transmitted the recipe in a letter to the Roman historian Tacitus, after having been told it by the lone survivor in Pompeii of the eruption of Vesuvius.

This man is described as "a

cook in a local Pompeian pizzeria" and as being found by the younger Pliny "seated by the smoking ruins of the restaurant, holding in his hand a round flat object which was still burning with a low blue-yellow flame."

"As the younger Pliny watched in astonishment," the account continues, "the man blew out the flame, ate the object slowly and thoughtfully, then licked his fingers and exclaimed triumphantly: 'I can die happy. I have discovered the Flaming Pizza!'"

"It is our exceeding good fortune," that before the good man toppled over to breathe his last, he dictated the recipe to the younger Pliny.

## Music Teachers Meet Tomorrow

An annual pot luck dinner of the Contra Costa Music Teachers Association will be held tomorrow evening at the home of Mrs. Alex Barr.

The program will consist of piano selections by Janet Coop and vocal numbers from Show Boat by Beverly Abbie and Henry Pratt. Miss Abbie is a pupil of Virginia Blair.

The first workshop of the fall season will be in the latter part of October. The fall benefit concert for the scholarship fund will be presented in November. The program will include solo piano, trumpet or string group, voice and duo piano work.

## UN Council Group Begins Study, Monday

The Mt. Diablo Council for the United Nations is starting a study group, Monday, at 8 p.m. in the P. G. and E. Community Room, 1535 Bonanza Street, Walnut Creek.

This is a new discussion group to be formed. Persons interested may call Mrs. A. A. Nickel, YE 4-6479.

Mr. Edward I. Kotak, leader of this discussion group, is well qualified. He was chief of Technical Assistance Mission, Food and Agriculture Organization, United Nations in Chile, 1949-1955, assistant chief, U.S. Forest Service in charge of Forest and Range Research, Washington, D. C., and former director, California Forest and Range Experiment Station.

## DON'T DAYDREAM

## Coast Guard Academy Has Openings

U. S. Congressman John F. Baldwin, who represents Solano and Contra Costa Counties, announced today that the competitive examination for entrance to the U. S. Coast Guard Academy will be held nationwide on February 25 and 26. These examinations will be given in 111 cities.

Baldwin emphasized the opportunity offered young men who choose this four-year course which leads to a bachelor of science degree and a commission as a career officers in America's oldest sea-going service.

"There are no appointments or geographical quotas for entrance to the Coast Guard Academy," Baldwin said. "I urge all qualified young men who are interested in a worthwhile profession to write for details and applications as soon as possible to Coast Guard Headquarters in Washington, D.C. Applications must be postmarked before January 15."

A candidate for the next election for the Coast Guard Academy must be single, must have reached his seventeenth birthday by July 1, 1957 and must be in excellent physical condition.

A high school diploma is the minimum educational requirement, although high school seniors assured of being graduated by June 30 are eligible to take the examination if they will have at least 15 credits by that time. All applicants must have three units of English, two of algebra, and one in plane geometry by graduation.

## Moms Club to Fete School Staffs at 'Welcome Teas'

Mothers, teachers and all school staffs will be honored next week when the Orinda Mothers Club sponsors its annual series of Welcome Teas.

Offering an opportunity for informal visiting between mothers and teachers, the events will be held in five Orinda homes, one for each of the five schools.

All five teas will be held from 3 to 5 p.m., according to Mrs. Charles Erickson, Mothers Club president, who with vice-president Mrs. James Irwin will be at each of the teas to greet the guests.

The Pine Grove School tea on Monday afternoon will start the series, at the home of Mrs. Roger Stark, 11 Vista Del Mar. Chairman of this tea is Mrs. T. F. Mika.

Following on Tuesday will be the Del Rey School tea at the home of Mrs. Herbert Granson, 222 Moraga Highway, under the direction of Mrs. Don Hutchinson, Del Rey School coordinator.

The Sleepy Hollow School tea is set for Wednesday at the home of Mrs. J. R. Wallace, 150 Lombardy Lane, with Mrs. David Hagbann as chairman.

Glorietta School will hold its tea at the home of Mrs. Paul Handley, 13 Virginia Drive, on Thursday. Mrs. William Cary is chairman.

Concluding the series on Friday will be the Orinda School gathering at the home of Mrs. Harold Ohleyer, 12 Hacienda Circle, with Mrs. Bruce Anderson, chairman.

In addition to the tea chairmen, coordinators of each of the five schools and room mother chairmen have also been responsible for arranging the teas.

Coordinators and room mother chairmen are: Pine Grove, Mrs. Russell Gilwee, Mrs. Stewart Kimball; Del Rey, Mrs. Don Hutchinson, Mrs. R. F. Hopkins; Sleepy Hollow, Mrs. Stanley Hann, Mrs. Harry Clemons Jr.; Glorietta, Mrs. Frank Shirey, Mrs. Ernest Fernsten; Orinda, Mrs. William Gilmore, Mrs. Bruce Howard.

## Redecorate your living room with light!

The trick is balanced lighting: Flood your living room with soft, diffused light — enough light to cheer up gloomy corners, brighten colors, bring out the rich textures of lovely fabrics. Balanced lighting helps you look your loveliest, too!

A single lamp lights just 50 square feet.

2. Check bulb sizes. Table lamps should have one or more bulbs totalling 150 watts; floor lamps should have bulbs totalling 300 watts.

3. Now comes the fun. Move lamps around till soft, diffused light fills room evenly... without harsh glare or shadows. Then sit back and enjoy it!

Three steps to balanced lighting: 1. Count your lamps—have you enough? It takes 5 lamps to light the average living room (250 square

## Matador Grids 'Shape Up'

The Miramonte Matadors have been putting overtime practice sessions in order to get into shape.

The Orinda teams open their season until next week when the frosh play the Acalanes Babes at Acalanes Thursday and the Junior Varsity opens at home with Las Lomas Friday.

Flu has laid low a number of players, as have a few minor injuries which have been more bothersome than serious.

In scrimmage sessions the number one club has had its share of bright moments as they appear to be catching on the new offensive play being installed as the result of new headman Don Phillips' coaching.

Ronnie Brown, an up and coming fullback, has been a standout with his all-around play and looks to be a first class player.

Another fullback who has shown to advantage with his offensive running is Vicky Clifford, who helps keep the Matadors well stocked in the fullback spot.

In conjunction with athletic activities, Miramonte is conducting a sale of season tickets in order to raise funds for basketball and track uniforms.

The season tickets, which went on sale early this week, entitle one to admission to home games, which include two frosh contests, four JV grid encounters, eight basketball games and all home baseball and track competitions.

Funds obtained from sale of the \$5 passes will go into the Student Body, to be disseminated as needed.

A sales contest is being held among members of the Freshman and Sophomore classes. The

## Christian Science

How spiritual understanding of the real nature of man and the universe brings harmony in human experience will be brought out at services this Sunday at Churches of Christ, Scientist, 22 Orinda Highway, Orinda, and 1347 Locust Street, Walnut Creek.

The Lesson-Sermon entitled "Reality" will include the following selection from "Science and Health with Key to the Scriptures" by Mary Baker Eddy (335:27-29):

"Reality is spiritual, harmonious, immutable, immortal, divine, eternal. Nothing unspiritual can be real, harmonious, or eternal."

### Homes, Banks, Streets Signals and Progress!

By BILL HAYWARD

**PARADE OF HOMES**  
The gang of developers, contractors, builders, bankers, realtors and advertising men that are responsible for the presentation of Rheem Valley, south of Lafayette toward Moraga, should be complimented for the manner in which they planned and programmed this very terrific HOME SHOW... it's the finest single piece of local public relations aimed at the home buyer in many a month.

Over 20,000 visitors have inspected these handsomely decorated and excellently planned Parade Homes... Hats off!!! to all that had a hand in this production... Ernie Holley of the General Contractors Association, the coordinator, and to all the men of vision... Fey Cheney, Bob Burgess, Harold Smith, John Omsundsen, Dan Drake, Jack Marchant and the firms of Jordan & Read and Fuller Eymann... tops in homes from the tops in the industry... Don't miss seeing these homes in person... for the thrill of your lifetime... just follow the arrows from Orinda or Lafayette.

**WALNUT CREEK ACTIVITIES**  
Larry Davitt's American Trust Co. plan to build their new bank building at the corner of Bonanza and Main before 1956 is over. Imagine if you can a very beautiful one story building taking up a large portion of the space from the PG&E building on Bonanza east to Main and south to the drug store, to include some parking area for the bank customers.

Wonder where Davitt will get the loan to build this edifice? ... First... Berkeley...  
**NEWELL AVENUE SIGNALS**  
Just in time for the football season... Safeway, Capwell's, Kaiser, Nipkow... the other Medies and all the Las Lomas gang will certainly appreciate this new addition to South Main Street.

Newell Avenue people too, will now be able to make a crossing without the usual wait and worry.  
**PROGRESS**... and a new wider South Main Street bridge to be ready in six weeks... another bottleneck broken during the busy year of '56.

**SOUND SOFTENERS** now FHA approved.  
My, how times have changed, you may now tell your contractor to leave the finish flooring job to you the owner. Wall to wall carpeting is accepted as finish floor covering! With all the noisy kitchen appliances together with the usual 'noise-conducting' floors of the normal type of home construction, this new plan is GOOD for quieting purposes.

Soft pads plus deep-pile rugs can make even the most modest home one of luxury. Call your carpet bagger... your rug cutter and get the word of the wise... Floors are coming UP in the world.

**ROLLER SKATING RINK**  
Will be ready by winter for the kids to flock to. Just across the street from Stan's Brick House and only a half mile north of town... this will be a MECCA for the younger set... hope it gets off to the right start. Roller rinks are funny that way... let's all help to see that it is THE RIGHT SPOT for the gang to gather.

**PIANOS, TELEVISION AND SOUND**  
Hendrick Piano will move shortly to the new South Main Store across from Sears. Rushing to beat the weather and the Freeway plans... A Pioneer Piano Purveyor promising Prime Prices Plus Plush purchase plans... with this Organ Grinder GO!

### Sorority At Picnic

Contra Costa Phi Mu alumnae joined alumnae from the Berkeley-East Bay, Southern Alameda, and Marin groups at a picnic-swim party at the home of Mrs. William A. Clayton, 2994 Moraga Highway, Orinda, on Saturday.

These groups will join with the other Northern California groups at a Reunion Day to be held at the Claremont Hotel in Berkeley on October 27.

### Mrs. Sturgeon Changes Name

Recently married in Carson City, Nev., were Mrs. Barbara Sturgeon, civil defense coordinator for the county, and George Burton, county communications chief.

The couple plan a home in Pleasant Hill. The new Mrs. Burton has a son by a former marriage, and her husband, two sons and a daughter.

### Big Jon, Sparkie, to Appear in Berkeley

Plans were completed today to bring to the Bay Area "Big Jon and Sparkie," A B C network stars, for a series of special performances, under the auspices of Children's Hospital of the East Bay, September 29.

The shows will be presented at the Berkeley Community Theater. In announcing the performance, Mrs. Duncan Knudsen of Lafayette, chairman of the event, points out that "although Big Jon and Sparkie are primarily children's entertainers, their performances have been enthusiastically received by adults everywhere."

Tickets are available in advance at the Campana Music Store in Lafayette.

### Miss Velazquez Betrothed to UC Graduate

Miss Juanita Velazquez and Thomas Bolger recently announced their engagement at a barbecue held in the garden of the bride-elect's home, attended by relatives.

Juanita is the daughter of Mr. and Mrs. Manuel Velazquez of 1431 Springbrook Road, Walnut Creek. Graduated from Acalanes High School, she attended the University of California in Berkeley for two years. She is employed by East Bay Municipal Utility District.

Tom is the son of Mr. and Mrs. Anthony J. Bolger of 3649 Victor Avenue, Oakland. He graduated from Oakland High, and also the University of California, Berkeley. He will graduate next Friday from the California Highway Patrol Academy in Sacramento. Wedding plans are indefinite.

### Pandora Slates Benefit Events

Pandora Chapter of Children's Home Society held its first luncheon-meeting of the year Monday at the home of Mrs. Ridgley Greathouse, 50 Acacia Drive, Orinda.

Mrs. Morris Jeppson president, conducted the business meeting after the luncheon. Plans for several fund-raising events to be held throughout the coming year were formulated.

Proceeds will benefit the Children's Home Society of California, the largest private adoption agency.

Welcomed into the ranks of Pandora membership were Mesdames Vernon Axelson, Jack Van Gelder, Robert Goodale, William Henning and Donald La Rue.

## Area Volunteers Fill United Crusade Posts

The Central Contra Costa County United Crusade Campaign for 1956 got off to a good start this week with the announcement of committee chairmen and most volunteer posts completed.

These people will direct each segment of the campaign, working toward fulfillment of the Crusade goal, which in turn will raise adequate funds for the nine member agencies supported by the Crusade drive.

Serving in volunteer capacity according to President Jack Pedder of Lafayette, are:

General chairman: Ted Barcelona

Advance gift co-chairmen for Diablo Valley: King Parker and Howard Greenhalgh.

Advance gift chairmen: James Kral for Orinda Cliff Silvine for Lafayette, George Connor for Danville.

Business division chairman for Diablo Valley: Gordon McNulty. Business division: J. Black for Orinda, Herbert Miller for Walnut Creek, E. B. Nelson for Danville, Ted Murphy for Lafayette, John Pearson for Pleasant Hill.

Public Relations for Diablo Valley include: George Eberhart, chairman; Don Nesbit, vice-chairman; Charles Reid, consultant; Dick Osborn, publicity; and Bruce Copeland, speakers bureau.

The meeting of the club will be held at 7:30 with a potluck supper. Those who plan to attend are asked to call Barbara Falconer, AT 3-6229. Democrats who cannot attend the supper will be welcome to join the group at 8:30 to hear Senator Miller and to participate in the business meeting which will follow.

Richard Haber, chairman of the United Democratic Fund of Contra Costa County, will explain how the club may best aid the fund and will report on the budget and the campaign plans of the organization.

Other officers for the coming year are Mesdames: Robert Cannon of Lafayette, vice-president; Gordon Hughes of Walnut Creek, recording secretary; Pat Sterbenz of Lafayette, corresponding secretary and Mrs. Susan Burkhard of Concord, treasurer.

Philanthropic projects and social events for the fall season were discussed.

**Alumnae Bid Season Adieu With Picnic**

Diablo Valley alumnae of Alpha Xi Delta Sorority invited their husbands and children to join them last Sunday in a "Farewell to Summer" picnic.

After a steak barbecue the moppets competed in their own Junior Olympics while the alums nostalgically recounted college days.

Though UC songs predominated around the campfire that evening, a dozen other schools were represented. Alumnae from Ohio, Oregon, Washington, West Virginia, New York and Nebraska were present.

The group held its September business meeting Monday night at the home of Mrs. Phillip Chance in Lafayette. Mrs. John Dorr of Orinda, newly elected president, presided.

Other officers for the coming year are Mesdames: Robert Cannon of Lafayette, vice-president; Gordon Hughes of Walnut Creek, recording secretary; Pat Sterbenz of Lafayette, corresponding secretary and Mrs. Susan Burkhard of Concord, treasurer.

Philanthropic projects and social events for the fall season were discussed.

**Acalanes Dance Group Cavorts**

"Vacation Daze" was the theme of the monthly folk dance party of Acalanes Folk Dancers held September 8 at the Danville Veterans Hall.

The committee took a "vacation" and used a program from last year's party of the same date. Decoration of the hall consisted of a large poster printed with "too pooped to party."

Ted Darger of Martinez and Glenn and Reva Ward of El Cerrito were the callers for the evening.

Refreshments were served after the dance by the following committee: Marge and Bob Underwood of Lafayette, Stan and Dorothy Baker of Walnut Creek and Taylor and Adelaide Holt of Martinez.

### Tri-Deltas Greet New Members

The Berkeley Alliance of Delta Delta Delta welcomed and entertained the new pledges on the University of California campus last Sunday at the home of Mrs. Will C. Hall 1363 Relief Valley Road, Lafayette.

Mrs. Hall is Berkeley Alliance president.

The active chapter sponsor for each new pledge helped to make it a gala "get acquainted" day for everyone. The Halls' large outdoor swimming pool was the center of activities and a beautifully appointed buffet supper was served in the evening.

The alumnae advisors and Co-

## Senator Miller To Talk Tonight To Demo Club

State Senator George Miller Jr. will be the guest speaker at a membership meeting of the Lafayette Democratic Club this evening at the home of the Neill Falconers, 3348 Betty Lane, Lafayette.

James Benney, club president, has announced that Senator Miller will report on highlights of the 1956 Democratic Convention and also on the political scene.

Benney continued "Senator Miller can speak from a background of 10 years of impressive service in the State Legislature and a long period of activity in the Democratic Party organizations in this county. He was elected to the Assembly in 1946, and proved so effective a legislator that he was elected to the Senate by both parties in the primary elections of 1948 and 1952. He is the senior member of the Senate Education Committee, was one of the creators of the Bay Area Rapid Transit Committee and has authored or co-authored and secured the passage of many bills which have been of benefit to our county. In 1952 and again in 1956 he was an outstanding leader of the California delegation to the Democratic National Convention."

The meeting of the club will be held at 7:30 with a potluck supper. Those who plan to attend are asked to call Barbara Falconer, AT 3-6229. Democrats who cannot attend the supper will be welcome to join the group at 8:30 to hear Senator Miller and to participate in the business meeting which will follow.

Richard Haber, chairman of the United Democratic Fund of Contra Costa County, will explain how the club may best aid the fund and will report on the budget and the campaign plans of the organization.

Other officers for the coming year are Mesdames: Robert Cannon of Lafayette, vice-president; Gordon Hughes of Walnut Creek, recording secretary; Pat Sterbenz of Lafayette, corresponding secretary and Mrs. Susan Burkhard of Concord, treasurer.

Philanthropic projects and social events for the fall season were discussed.

## Modern Dance Students to Register Soon for Classes

Offering an inexpensive means of obtaining expert dance instruction, classes in Modern Dance will be offered children from Kindergarten through Junior High age. Miss Lynda Hickox, sponsored by the Valley Art Center, will teach the classes in Lafayette Grammar School auditorium, starting September 29.

Registration for the first series, at a cost per child of \$6 for 10 lessons, will be from 9 a.m. to noon, tomorrow in Lafayette Grammar School auditorium.

**THEY WILL INCLUDE** a class for 4th, 5th and 6th grade, a workshop in choreography for which candidates will have to qualify, a

class for first, second and third grades, two pre-school groups, a class for older teenagers, and possibly a performance group if interest warrants it.

Miss Hickox, who is a graduate in psychology from the University of California, has studied dance since the age of 4. She had a graduate year at Mills College in Modern Interpretive Dance. She has just returned from a 2½ month trip to Europe where she took a dance study tour for six weeks, studying three weeks in Paris and three weeks in London.

In London, she took the Dal-croze Urythmics course, and observed classes at Saddlers Well Academy.

**HELPING ON THE Modern Dance committee** are Mesdames Douglas Roddick who is chairman for the Valley Art Center, Anton Eberle, Bennett K. Tow, Ken Hallstone and John Kless.

Additional questions on registration may be answered by calling Mrs. Roddick at Clifford 4-5930, or Mrs. Eberle at Atlantic 3-2442.

# Come join the band...

## NOW right at the beginning of school!

Sherman, Clay will provide you with a quality instrument on a special school-rental purchase plan

**New instruments as low as \$5 a month**

Reconditioned instruments as low as \$2.50 a month

Any instrument may be exchanged within 90 days for another which your child may find more adaptable, or returned if your child does not progress satisfactorily with it.

Your children will love the fun and good times they share in the school band or orchestra. You'll approve of the valuable training and excellent music instruction they receive from fully accredited teachers.

To make it as easy as possible for your children to take advantage of this opportunity, Sherman, Clay offers fine musical instruments at a low cost on our special school-rental purchase plan. These brand new instruments, purchased especially for this school program, are of the quality approved by educators throughout the nation.

Come in this week and let our experts recommend the instruments best suited to your youngsters. Be sure to start them now, while school bands and orchestra are being organized.

## These band instruments on sale at the Sherman, Clay booth at the Walnut Creek Festival, Sept. 20-23

## INDEPENDENT CERTIFIED PUBLIC ACCOUNTANTS' OPINION

Board of Directors  
East Bay Municipal Utility District  
Oakland, California

We have examined the respective balance sheets of the East Bay Municipal Utility District's Water System and Special District No. 1 as of June 30, 1956, and the related statements of revenues, expenses and contributions for the year then ended. Our examination was made in accordance with generally accepted auditing standards, and accordingly included such tests of the accounting records and such other auditing procedures as we considered necessary in the circumstances.

In our opinion, the accompanying balance sheets and statements of revenues, expenses and contributions present fairly the respective financial positions of the East Bay Municipal Utility District's Water System and Special District No. 1 at June 30, 1956, and the results of operations for the year then ended in conformity with generally accepted accounting principles applied on a basis consistent with that of the preceding year.

## Suburbia Scribblings

By MARIE MONAHAN

### A famous hand surgeon was on hand

THE HILLSIDE HOME AND GARDENS of the Pere Browns, the beautiful setting Sunday for a sumptuous "Autumn Party" . . . invitations bidding more than 200 guests to "Punch-Munch-Lunch" under the oaks on Camino Don Miguel.

The internationally famous hand surgeon Dr. Sterling Bunnell among the flow of arrivals from here, near and far greeted by the host and hostess receiving at the door . . . Tamara Brown, shouldering a fragrant flowered lei, smartly attired in a navy flannel coat (topping a white skirt) which perfectly match-mated that of her husband's . . . The genial host congratulated by localities for his vigorous leadership in the Orinda Library Campaign . . . guests ushered through to the garden by Bruce Brown assisting his host father for the afternoon.

A STROLLING ACCORDIONIST serenaded w/perennial favorites as guests grouped themselves along the garden walkways and patio, sunned around the pool and terraces . . . The September Sol high overhead sent some to the cool comfort of the attractive and ingeniously-equipped new poolhouse . . . (A pink satin sash tied to a doorknob here distinguished Milady's dressing room!)

The Don Krotzes winding up a busy wknd. . . The Lindsey Spights, (he in a bold plaid blazer, she in tangerine linen) chatting w/the Fred Mulvanys and the Bob Mulvanys who arrived together . . . The Ritchie Smiths and Bill Fleagers . . . Al Peck, Richard Breuners

STRAINS OF "YANKEE DOODLE DANDY" and popular tunes . . . An American flag flying high on its flagpole above the upper terrace lined w/green umbrellas d' tabbies . . . Autumn leaves centering the pretty pastel cloths, yellow daisies tucked into the matching napkins, a token of summer's leave-taking

Tabled together, the Edgar Stewarts w/Jane and Bob Jurs . . . The Ernest Spiegels and Joe and Janet Rupley . . . Lucille and Joe Sheaff, their son Peter w/Caroline Demeter requesting special songs for singing . . . Everybody joining in! Trader Vic's catering the midday victuals, w/pineapple-on-a-pick and trays of cheese, crackers, fresh fruit for dessert.

### Hugs and handshakes for their homecoming

WARM GREETINGS extended the Thomas St. Hills who were missed during their 3 1/2 mo. European jaunt . . . Kendric Morrish and his Mrs. . . Marian in a bottlegreen skirt and blouse ensemble, a perfectly-matched cardigan tatted w/dainty brocade patches, tiny pearls . . . Dr. and Mrs. Roger Stark, Dr. and Mrs. Wellington Smith . . . The Stephen Jensens just making it in time for lunch having JUST come home from their Canadian holiday.

The Walter Boysens departing early, he scheduled for an afternoon flight to Hawaii . . . the Timothy Colvins, Ben Holabirds, John Baldwins, Heywood Gathings among the localities too numerous to mention ALL . . . The hostess' mother, Julia Davis, here from NY . . . another guest from Switzerland. Strategically closer, the Le-Martin Spittlers who hiked home, just around the bend!

Tall, tan-coated George Hauken in a jovial mood w/the Mel Jacobuses who along w/Robert and Edith Bolman had themselves a whirlwind waltz on the top terrace.

THE PERFECT PARTY, a salute to summer, a forward-to-fall, continuing for a score of the couple's friends who stayed on for pool-side supper, a refreshing swim. Departing guests unanimously de-

# Surprising Rams Buck for 2nd Win

## Rams Ready for St. Mary's Today After Easy Win

The Pleasant Hill Rams opened the grid season with a bang last Friday night as they trampled the Livermore Cowboys and looked mighty good in registering the win.

Their big test, however, comes this afternoon when the Ram machine tries its luck at Albany by taking on the St. Mary's aggregation in a 3:30 contest.

It will be the first game of the season for the St. Mary's grid, but with four first string linemen and three first string backs returning, and with a line that averages close to 200 pounds, they should put up some stiff competition to the Rams.

**THE QUESTION** in the mind of Ram coach Hal Briggs is just how much strength Livermore actually had and how his charges will fare against sterner opposition.

The answers could well come this afternoon.

It's definite that St. Mary's will have a big bulge in the weight column, but the figures could well swing in the Rams' favor on the final tally sheets as the locals are high after their impressive opener and figure to make up in speed, blocking and desire what they lack in size.

**COACH BRIGGS** and his coaching staff are enthusiastic about their club and have speeded up and intensified workouts in order to be ready for what promises to be a tough game.

A newcomer will show in the starting lineup. He's right half-back Lon Salagas, a 150 pound junior by way of Christian Brothers School in Sacramento.

Salagas didn't have enough days of practice to play last week but is O.K. now and ready to go. His speed and ball-toting ability have brought him to a starting spot.

Another transfer, Don Huddelson, lacks enough practice time to play today but goes next week as a defensive halfback.

Weighing 170, the junior hails from Virginia.

**DURING THE HEAT** of battle at the Froshmore day activities Craig McCay holds the coveted trophy as Baron McDonald, Joe Smith, Dick Darren, John Turner, Warren Milham, Tom Lar-scheid, Ron Kasdan, Charlie Scott, Bob Marsh, Charles Exner and Don Solbjor look on.

### Acalanes Scene Clouded By Richard Fey Tragedy

By ERWIN MATTSON

Last Monday brought news that was a great shock to me personally. I learned of the untimely passing of a fine young man.

Richard Fey met with an untimely death in an automobile accident on the Bayshore Highway in Sunnyvale last Sunday night.

Dick, as we all knew him, was a graduate of Acalanes High and one of the finest boys to ever compete on the athletic field.

**I HAD** the good fortune to coach Dick in football and baseball—sports in which he excelled.

He was a leader on the athletic field, and in the classroom. He was one of those kids with whom it was a pleasure to work, as he was always enthusiastic and a fine pupil, with a personality that sparkled.

Dick has been in my mind constantly and I have thought of the many wonderful experiences I had with him.

**I'LL ALWAYS** remember the time, when Dick was a freshman, I called him out of the stands to catch a varsity game against Antioch, after the regular receiver had been hurt in the course of the game.

I'll always remember his cheery hello and his interest in the school when he often came back to visit.

In coaching you become very close to a boy and really get to know him as few ever do.

**IT IS DIFFICULT** to understand why one so young and with so much to give has to go.

To all who knew Dick there is a void that can never be filled. To know him was to like him.

It so happens that early this week I met Art Siler, who was recently graduated from Harvard University and soon leaves for England on a Rhodes Scholarship.

**HE WAS DICK'S** classmate at Acalanes, and in discussing the tragedy he said, "You know, it doesn't seem possible. Dick was so solid and so indestructible and so much a part of everything."

One thing certain, Dick will always be with us in our memories. Life is richer for those who knew him.

He will always live, in that he is a part of us who knew and loved him.

## Dons Look to Stiff Test From Oaklanders Tonight

The Acalanes Dons lived up to advance notices last Friday night when they all but rode the Alhambra Bulldogs out of the stadium with a 44-6 win.

Chances are a capacity crowd will be on hand tonight at Acalanes to see just how strong the local eleven really is. Kickoff time is 8 p.m.

**OAKLAND HIGH** will furnish the opposition. While the Oaklanders figure to be made of sterner stuff than the Bulldogs, they will have the disadvantage of being in their first game of the season.

They will, however, be one step up on the Dons in having watched last week's Acalanes game. Their scouts will undoubtedly devise defenses to cope with the Dons' striking power.

**THE ACALANES** first eleven spent a good part of last week's game on the bench, after having rolled up a 25-0 halftime score. As a result, all hands, with one exception, are in fine fettle and eager to go.

The exception is Jim Dinkel, veteran guard who has a bruised arm and has been sidelined in

## Busby Leads Don Grid Machine to Smashing Victory

Definitely in high gear last Friday night were the Acalanes Dons as they swept to an impressive 44-6 win over the Alhambra Bulldogs.

Gene Ridley and Bob Stevens, making their debuts as varsity coaches, proved that their eleven will definitely be in the thick of the pennant race.

The Dons used every player on the bench as they substituted freely. The reserves held down the fort very comfortably throughout most of the second half.

**IT WAS ONLY** a series of penalties in the opening minutes of play that held the Don squad back.

In the first five minutes of play the Dons went on a 66 yard drive, with fullback Stewart Busby going over from 15 yards out on a smash off tackle.

Busby added two more TDs to his credit before the night was over. He rambed better than 160 yards in his first six carries.

**THE CONVERSION** try following the initial tally was blocked. Seconds later, the Dons posted another six points when Busby took an optional pichout from quarterback Richard Markstein and outraced the field to tally on a 75 yard gallop. Again the conversion was blocked.

In the second quarter Markstein heaved a pass to flanker back Dave Bojarsky which was good for 45 yards and a score. It was 18-0 after the third conversion was missed.

Later in the quarter the Dons drove to the one after a 60 yard march. Markstein scored on a keep play. This time, finally, Dennis Combs split the uprights, making it 25-0.

**ON THE OPENING** play of the second half, Busby took the ball and, with the aid of some good sideline blocking, raced 80 yards to the end zone.

The Dons added two more scores in the third canto, with Don Neuman going over from the nine and Dennis Combs connecting with end Larry Pilcher on a TD pass.

Combs converted once in three tries.

**ALHAMBRA HIT** the score

board in the third period, with Manuel Mederos going over left tackle from the two. This made the final count 44-6.

The Don line as a whole played well and had three Bulldogs well in check all the way.

Jim Dinkel, veteran guard, was a standout, as were John Cadwell and Frank Malynn at the tackle spots.

Markstein and Lou Marelo operated well at Q.B., with Marelo also doing some good running from the safety position.

## Knights Look For 2nd Win Across Bay

The Knights of Las Lomas High take to the road tomorrow afternoon on their way to their second contest of the 1956 grid season.

The game, which matches the Knights with Drake High School of Anselmo, will take place on the turf of Marin Junior College, with the opening kickoff set for 2 p.m.

**THE KNIGHTS** registered a fairly easy 19-0 win over the San Ramon Wolves last Friday night and in doing so looked to be a well knit unit that will have to be contended with when league play gets under way.

That will be next week for all league teams except the Knights, who draw a bye.

Coach George DeKlotz has been putting his 35 players through some intense drills, attempting to eliminate a few offensive and defensive wrinkles in preparation for tomorrow's encounter.

**SCOUT REPORTS** show that the Marin County eleven is a good average club with one mammoth performer who stands 6'5" and operates as a real triple threat.

He may be spotted at the quarterback slot in the split T, then may shift over to the deep back spot from where he runs and passes. When the need arises, this Goliath may shift to an end position to receive a teammate's tosses.

The Las Lomas team played the game as expected last Friday night — or just a mite better considering that All-county center Webb Johnson and the circuit's leading scorer last season, Duane Brown, were out of action.

**BROWN IS OUT** indefinitely, while Johnson could see some action tomorrow.

The Knight Junior Varsity, under new coach Vere Butler, makes its debut this afternoon when it tackles Amador High at Pleasanton in a 3:30 game.

Frosh coach Merle Callow has had better than 50 candidates out the past two weeks, drilling in sweat suits until last Wednesday when they were issued regular football togs.

They draw a bye next week while Acalanes and Miramonte frosh meet at Acalanes on Thursday at 3:30 p.m.

## Rams Unsaddle Cowboys, 32-6

The Pleasant Hill Rams proved to be tough customers to deal with when they opened up with a free-wheeling offense that crushed the Livermore Cowboys last Friday night in the season's opener, 32-6.

The game, played under the lights of the Mt. Diablo High field, found the Rams scoring in every quarter and outplaying the visitors all the way and in every department.

**LIVERMORE HAD** a brief moment in the sun when Pleasant Hill fumbled and the Cowboys recovered on the one. That led to the game's first score, but from then on it was Pleasant Hill all the way.

The Rams were paced by full-back Don Upson, who tore off consistent chunks of yardage and posted two touchdowns in the course of the evening's play.

Upson put the Rams on the go when he went over right tackle and raced five yards to a T.D.

The conversion went wrong, as had the Cowboys', and the score was 6-0.

Later in the first quarter the Rams took off on a 70 yard drive, with quarterback Al Locatelli heaving a 19 yard pass to end Dick Garren in the end zone.

**THAT PUT** the Rams out in front and they were there to stay. Halfback Bob March went over the end stripe for six points from one yard out in the second frame and the Rams left the field at the halfway mark ahead 20-6.

In the third quarter fullback Upson found an opening in the center of the line and bulled his way 11 yards to pay dirt. The conversion missed the mark and the count was 26-6.

In the final period of play half-back Tom Lousheid wound up a 67 yard drive with a scoring plunge from three yards out, making the score 32-6. That's the way it ended.

**THE RAMS** were impressive with their offensive play as they maintained ball control with long drives time and again and smothered whatever offensive Livermore could present.

Coming in for honorable mention for their fine defensive play were middle linebacker John Turner and halfback Mike Mayne, as well as Dick Garren.

Upson looked to be a powerhouse with his offensive running, while quarterback Al Locatelli proved to be a smooth ball handler and was definitely on with his aerial game, hitting an excellent 7 for 8.

## Knights Stop Wolves, 19-0

The Las Lomas Knights took up pretty much where they left off last season with a brilliant 19-0 first game win over the San Ramon Wolves last Friday night on the Acalanes Memorial Field.

As expected, the Knights' center line proved tough and held the visitors well in check. A newcomer up from the junior varsity club of last year turned in a top game at end.

The Knights scored two touchdowns in the first half and only costly penalties kept them from scoring on two other occasions.

The first touchdown came in the opening quarter when Las Lomas intercepted a pass on their own 40. In eight plays the Knight eleven rolled to the score, with new find fullback Ken Stevens chugging it over the final four yards.

The conversion try misfired.

The number two TD came with but a minute and 45 seconds to go in the half when Pete Ostrom found an opening and raced 45 yards to score standing up. His path was cleared by a key block put on by tackle Tom La Perle, whose play was outstanding all night long.

An end run for the point fell short and it ended up 12-0 at the halfway mark.

The final touchdown came in the third period when Stevens swept left end on a 40 yard run. This time the conversion play was added when quarterback Jim Symington carried the ball over the chalk stripe.

Coach George DeKlotz of the Knights used numerous substitutions, particularly in the second half. He was particularly pleased with the defensive play that kept the Wolves from the door — and the end zone.

### East, West Leagues Honor Their Champions

By MEL ALAMANO

The final curtain went down on all baseball leagues last Thursday night.

The award night for the Eastern and Western National League teams was held in the Rec Center building. It was a full house, as during the coast League event, earlier.

Bob Maxey was the M.C., and he introduced city officials and league sponsors.

**HENDRICK PIANO** was awarded the top spot trophy for the Western Division. Paul Freeman, manager, introduced his players. Mrs. Maurice Wilson presented the award to Hendrick.

The Sportsmanship award for the league went to the Kitty Bar. Stan Walgren of the W.C. Kiwanis Club presented the award which the Kiwanis donated.

Elwood Dutcher accepted it, and introduced his players. The Eastern League top spot went to Sports and Games. Elmo Gullieri of the Rec Commission presented the trophy to Coach Red Gillham and sponsor Gord McNulty.

**THE SPORTSMANSHIP** award went to Van Horn Motors and Jim Roessler, coach, accepted. Harmon Howard made the presentation.

Frances Jensen, school board member, was on hand to help. Refreshments were served.

Mrs. Helen Samuels and Bob Maxey are hard at work getting the baseball booth set up for the Festival this week end.

**MANY PEOPLE** have signed up to help in the booth to raise funds for next year's rec programs. If any of you want to help out, call the Rec Department!

There will not be a winter baseball league this year due to football, basketball and other school activities.

Sports and Games Inc., intend to put on regular clinics which will bring many top pro players out to give instruction on sliding, bunting and all the techniques. More info on this later on.

## Grid Titans Set For League Play

Grid play in the Diablo Valley Athletic League starts for keeps next Friday when all teams but one play league games.

Las Lomas High draws a bye and will sit the first week out.

Game of the week will probably be the surprising Pleasant Hill Rams vs. the Acalanes Dons at Acalanes.

Antioch plays Diablo at Concord while Pittsburg and Pacifica tangle at the Steel City stadium.

On the basis of results, it looks as if the league will be one of the best in years. All clubs appear loaded, with the exception of Pacifica, which is entering its first year of varsity play.

In practice games to date, the D.V.A.L. members were all in the winners' circles, with the exception of Pacifica.

A group of titans will meet head on in league play this season, and the champ will have earned his laurels.

## Capwell's to Show Foreign Materials

Beginning Saturday, October 6, Capwell's will hold a giant "Import Fair" in their Oakland and Walnut Creek stores. Displays on every floor and in the windows of both stores will show scenes illustrating the lives, customs and fashion influences of foreign lands.

Merchandise from all over the world has been gathered for this fair and will be shown in demonstrations and exhibits throughout the week.

Fashion shows, foreign films, special displays and a great variety of foreign merchandise will all be featured during Capwell's "Import Fair."

## Soothsayer Says Local Elevens Figure to Win

Last week the predicted scores worked out all right on Acalanes-Alhambra and Las Lomas-San Ramon, but the Pleasant Hill Rams upset both the prediction and the Livermore eleven.

Openers are tough but things are warming up and the crystal ball is a bit clearer.

Here goes nothing for today's games:

The Rams are up and ready to have a toughie in St. Mary's, which has both beef and veteran strength. Pick the Rams, 19-12.

Diablo looks to be ready for a tougher foe after dropping Oakland last week. They play Tech of Oakland at Diablo. The Devils should win, 26-13.

Pittsburg opens against a tough traditional foe, Monterey. Pitt laid off last week but seem ready enough for a 19-7 win.

Las Lomas, steady and consistent, figures to chalk up another win. It's Las Lomas 20-Drake 6.

The Dons tackle Oakland High at Acalanes — and after their opening showing it's the Dons, 27-12.

ORINDA MILLS CLUB staged a cocktail party Saturday evening at the home of Mrs. Frank Wright on Miner Road in Orinda. ### New Scout Troops are Planned

Twenty five organizations, including churches, service clubs, parent-teacher groups, and improvement clubs will be invited to organize new Boy Scout troops in the Meridian District at a "Together Dinner" in Walnut Creek, October 9, according to Marvin Moler of Walnut Creek, chairman of the Organization and Extension Committee.

Already the largest of seven in Mt. Diablo Council, the Meridian District will serve well over 5000 members this year in Orinda, Lafayette, Walnut Creek, Danville, Alamo, Canyon, Moraga and Pleasant Hill.

There are now 96 Scout Units in the District, comprised of 45 Cub Scout Packs, 39 Boy Scout Troops and 12 Explorer Units.

Even though membership has more than doubled from 44 units in 1952, there are many boys in each community who cannot be Scouts because the present units are filled to overflowing, or because there is not a unit in the immediate neighborhood of some of the faster developing areas, said Moler.

Of the potential new sponsors, four are in Orinda, one in Moraga, five are in Lafayette, six in Walnut Creek, two in Alamo, four in Danville and three in Pleasant Hill.

Each group is invited to send a potential organizing committee of five men to the "Together Dinner" for the purpose of learning about the Boy Scout background, and how they can organize a troop.

**TWO TRAINED** Scouters are assigned to each committee to give information and answer questions, as well as to follow through with subsequent necessary meetings to get the troop going.

Chairmen or secretaries of groups interested in learning more about the Scouting program in any of its phases may call John S. Youmans, district executive, at MU 5-7955, or Ralph Brown, assistant, at YE 4-5874.

**TAIL LIGHTS** Automobile tail lights are required to be visible 500 feet, reports the California State Automobile Association. The light which illuminates your license plate must make the plate readable from a distance of 50 feet.

### Germans Work, Play Hard Is Student's Impression

(Editor's note: The following is an article submitted to the Sun by a young Acalanes High School student upon his return to this community after a summer in Europe. Having spent most of his time in Germany, with a German family, the son of Mr. and Mrs. Marshall Shapiro, 18 La Vuelta, Orinda, was one of two local students in Europe under the auspices of the American Field Service.)

**BY ALLEN H. SHAPIRO**

Now that I am home, I often find myself reflecting on my summer in Europe. I have learned a great deal from my visit and I also have been provided with a great incentive to learn more.

This summer, I saw the beautiful cathedrals, castles, cities and picturesque countryside of Germany.

In reality, a far greater value for me was meeting the German people. They are a very industrious group with a great deal of initiative, and because of these working qualities and their fun-loving as well, I would say that the best way to describe them is that they work hard and play hard.

I feel extremely fortunate that I was placed with the Adams family, because they are hospitable and gracious and they have certainly conveyed a fine impression of Germany to me.

Right from the beginning, I was made a part of the family. Every day with the Adams family, I was constantly on the move. At first, my poor knowledge of German proved to be a major handicap but as time progressed, I learned the essential vocabulary for everyday conversation. One thing which I wish to make clear is that there is no great difference between their way of life and ours. The Germans do the same work, eat the same food and have the same relaxations as we do.

Some of my German family's interests are hunting, tennis, music and travel, which could be the interests of any American family.

On a nine-day tour of southern Germany, I saw scenery comparable with anything I have ever seen. On this tour, I also visited Bonn, the capital of West Germany.

There were 14 of us in Bochum, and the A. F. S. chairman there was a German returnee, who had been in Southern California. He and the town cooperated to give us some wonderful group activities, such as touring factories and having parties with German families.

Once, when my German brother and I were discussing the problem of German unification he asserted that in this strife-torn age, an organization such as the American Field Service can make far more progress than diplomats in.

**BIG DROP IN POPULATION** Idaho City, once a city of 40,000 and capital of the Idaho Territory, now has less than 250 inhabitants.

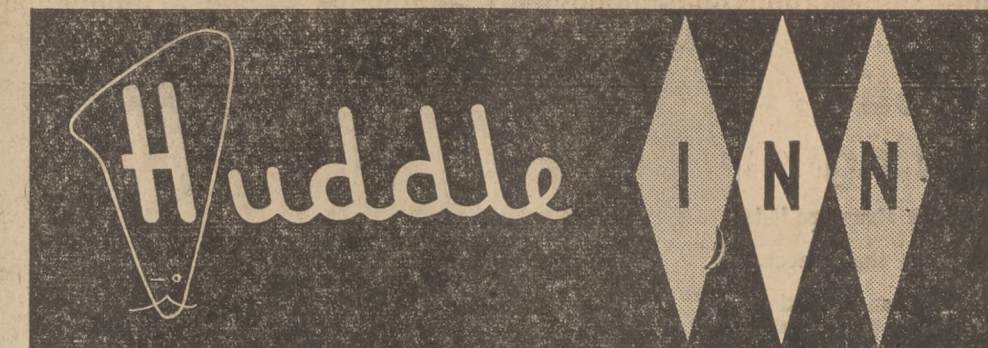

conference rooms towards unifying all peoples.

Returning to the United States on the ship, Smed Ambler, my fellow-student from Acalanes, who was in France, and I agreed that the American Field Service is doing a tremendous job in promoting world understanding.

I am extremely grateful for the opportunity to be a small part of this program, as well as for the great personal experience it was for me. I have made lifelong friends with a family across the sea, a family I will never forget.

I certainly hope that the foreign exchange students who are here now are enjoying the same wonderful reception as we had.

I, personally, have a great desire to exemplify the values of my stay in Germany here at home.

# GRAND OPENING

Friday and Saturday  
September 21 and 22  
from 5 p.m. to 4 a.m.

You will want to try these outstanding PIZZAS from our extensive menu.

PIZZA AL TONNO MARIE ANTOINETTE

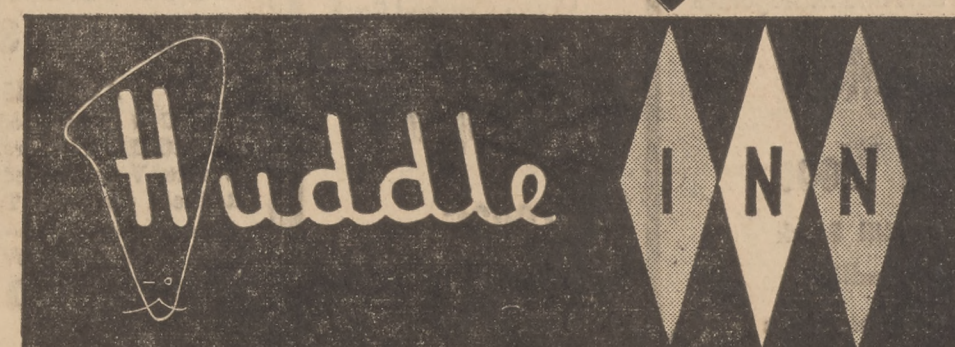

Named for Marie Antoinette, queen of France, wife of Louis XVI, ninth child of Marie Theresa and the Emperor Francis I of Austria. Led to the guillotine on October 16, 1793, it has often been charged that she said, when told the French people had no bread: "Let 'em eat cake!" and that this caused the French people to hate her. Definite evidence now shows that she was not hated by any others than the leaders of the French Revolution and that her comment actually pleased the French people. Properly translated, the statement seems clearly to have been: "They have no bread? Then let 'em eat Pizza!"

PIZZA ALLA CARUSO

Named for Enrico Caruso, the most famous Italian tenor of all time. Superstitious to the extreme and subject to violent bouts with stage-fright, Caruso is said to have had this type of pizza especially prepared for him to settle his nerves and his stomach just prior to going on stage at each of his performances. For this reason, it is often called "pizza Alida," "pizza Carmen," "pizza Pagliacci" or "pizza Samson and Delilah." It is said that at his last performance of Puccini's "La Boheme," he even brought a slice of one on stage with him and was seen offering a piece to the soprano just before she died. Contrary to the beliefs of some, Caruso himself died, not of acute indigestion, but of pleurisy, in Naples, on August 2, 1921.

## Your Garden Time is Ripe, Soil Good For Tree, Shrub Planting

By THE GARDENER

Because the soil is still warm from summer, all types of trees and plants planted now will grow more quickly than those planted bare-root in mid-winter.

For this reason, the California Association of Nurserymen suggests that now is an excellent time for setting in fruit and shade trees, roses, native shrubs and flowers.

NURSERIES throughout the state are now stocking container-grown shade trees, fruit trees and roses—all of which would be bare-root subjects during the winter months. These plants can be set root ball and all into the warm earth now.

In a much shorter time than required by the bare-root plant, the container-grown plant will be established in your garden. The added benefit of warm planting soil will hasten growth and establish the plant for the coming winter months.

**SHADE AND FRUIT** trees available now in containers include many of the favorite varieties and species. For instance, for fall color changes in your own garden, plant the Chinese Pistache (*Pistacia chinensis*), Sweet Gum (*Liquidambar styraciflua*) or Maidenhair Tree (*Ginkgo biloba*). Deep shade for a small yard is well provided by the Kafir Plum (*Harphephyllum caffrum*) and the Brazilian Pepper (*Schinus terebinthifolius*).

Delicious table fruit can be easily grown in a home garden. Depending on your local climate, choose an evergreen fruit tree like the orange, lemon, grapefruit, avocado or white sapote or from the deciduous fruit group—persimmon, plum, pomegranate or crabapple. These trees and all their fruiting relatives can be obtained in containers ready for immediate planting.

**THE CALIFORNIA** native plant group is vast, and deserves thorough exploration by the enthusiastic gardener. Manzanita (*Arctostaphylos*), the Salt Bush (*Atriplex lentiformis*) and the Bush Anemone (*Carpenteria californica*) together illustrate the variety of types of native plants to be found in nurseries.

The Manzanita is evergreen, grows from three to ten feet high, has attractive foliage, flowers and sometimes berries; also evergreen the Bush Anemone grows from three to seven feet high with dark green leaves and white anemone-like flowers.

**SALT BUSH** is deciduous and ideally suited for desert and interior valley situations. Its foliage is very gray; the bush itself is densely branched and sometimes

spiny. With such a structure it is more utilitarian (fine for wind-breaks or hedges) than decorative.

Before you plan any additions or revisions in your garden, stop by your nurseryman soon and choose the trees and shrubs you want in container-grown form.

## Air Reservists Launching New Training Plan

Major Arthur S. Slaymaker of Orinda, 9441 Air Reserve Squadron training officer, announced that a revised and improved method of presenting general training exercises will go into effect for the Squadron.

While in the past programs have been given by individual members of the Flights, this will remain unchanged. There will be a board of assistant training officers who will now be allotted a program.

Methods of presentation will be used such as lectures, discussions, skits among others and the plans call for an increase in the quality and interest of the exercises.

The first meeting under the new plan was put on by his crew August 30.

## St. Mary's to Be Conference Site Tomorrow

St. Mary's College Alumni Association will hold its 6th annual Leaders' Conference and Banquet on the college campus tomorrow afternoon.

Purpose of the Conference is to acquaint regional officers and leaders from all parts of California with the alumni program for the year 1956-57, as outlined by the board of directors of the association.

Registration for alumni members and their ladies will begin at 1:30 p. m. in front of De La Salle Hall. Brother S. Albert, president, and Brother U. Cassian, dean, will address the gathering in De La Salle Lounge immediately following registration.

John Mullany, national president of St. Mary's Alumni Association, reports that an interesting program has been planned for the ladies as well as a busy afternoon for the alumni members.

## Development Leaders Named

H. W. Saunders of Lafayette, president of the Contra Costa County Development Association, announces appointments of chairmen of association committees that will operate throughout the year.

Appointees are: E. M. Larmer, Walnut Creek, highways committee; Don Rice, Pittsburg, industrial committee; A. F. Bray Jr., Martinez, legislative committee; Arnold Irwin, Richmond, membership committee; V. A. Fink, Concord, natural resources committee; Jack Towne, Martinez, plant locating committee.

Robert Horst, Martinez, publications committee; Aubrey Macomber, Martinez, rapid transit committee; Joe Ragusa, Diablo, recreation committee; C. P. Tanner, Berkeley, special events committee; R. P. Copeland, zoning and planning committee.

## Junior College Offers 90 Part-Time Courses

Industrial psychology courses comprise almost ten per cent of the entire 90-course program for part-time students at East Contra Costa Junior College this fall.

**KEYSTONE** OF the industrial psychology studies, according to Charles E. Chapman, assistant dean of instruction, is Psychology 160, offered Thursday nights from 7 to 9 for ten successive weeks.

Designed to provide industrial supervisors with basic principles in the subject, it is the basis for other courses to be offered this winter and next spring.

Eligibility for the more advanced work will depend upon taking the initial course, Chapman said. The instructor is John Lynch, now in the training division of a local industry.

He holds a masters degree in his subject and will teach succeeding courses.

OTHER 10-WEEK courses re-

lated to the field of industrial psychology, all offered this fall, are Management 210, the skills of creative thinking, which will meet Monday nights; Incident Process, a workshop of selected industrial cases involving actual situations, and Psychological Aspects of Industry, both given on Tuesday nights; Techniques of Job Analysis and Classification on Wednesday nights; Principles of Executive Leadership, and the keystone industrial psychology course, Psychology 160, on Thursday nights.

Closely associated with these courses is the general course in psychology given on Tuesday nights in the 18-week schedule.

It is an introduction to the scientific study of human behavior, stressing the scientific approach to the phenomena of growth, thinking, learning, memory, sensation perception, motivation, adjustment and emotion.

## Aid Granted Vets' Children

A brighter future is in store for thousands of children of veterans who died of war service because of an educational grant just enacted for them by Congress, according to J. W. Hammond, Veterans Service Officer.

The law provides 36 months of training beginning upon completion of high school or at age 18, and continues to age 23—except that persons now under 23 years old have five years from the date of enactment to enroll.

Courtesy joined the company in 1942 after receiving his B.Ch.E. degree from the University of Cincinnati, while Milligan became a member of the firm in 1944. He is graduate of the University of Minnesota, where he received his B.Ch.E. degree. Snider joined Shell Development at Wilmington in 1944.

Another local scientist, F. M. McMillan of Orinda, has returned to Shell Development Company's Emeryville Research Center after a two-year assignment in New York.

McMillan, who is taking up his duties as department head of the Polymer and Chemical Applications Department, has been with the company since 1937, when he came to Emeryville as a chemist in the old Organic and Applications Department.

## Women Voters To Raise Funds

The Concord League of Women Voters and the other Bay Area leagues are holding their annual finance drive.

League dues are kept low so that all women in the community may be financially able to join and as a result do not cover the full cost of the League program.

**THE LEAGUE** of Women Voters therefore makes it a policy to solicit partial financial support for its work from the local community, according to Mrs. Paul Craven, Concord president.

Solicitors will call upon a selected group of community leaders for help in meeting a \$200 deficit for this fiscal year.

A coffee meeting for members who will solicit funds will start the local drive, Mrs. E. C. Litsinger, finance chairman, has announced. It will be held at her home, 209 Patterson, Pleasant Hill, at 10 a. m. Monday.

**AMONG** THE community services which the League of Women Voters provides, Mrs. Litsinger pointed out its voter registration program in which approximately 4000 voters were registered before the primary alone.

Solicitors for the finance drive are as follows:

In Concord — Mrs. John Holt, Mrs. P. H. Wilson, Mrs. Dean Yeaman, Mrs. Robert Mason, for Pleasant Hill — Mrs. A. N. D. R. W. Kridl, Mrs. Robert Balian, Mrs. David Mox, Mrs. Gilbert Mead, Mrs. Frank Lanning, Mrs. James Box.

**IN WALNUT CREEK** — Mrs. Paul Craven, Mrs. John Selley, Mrs. William Ross, Mrs. Monroe Smith, Mrs. Robert Moore; for Lafayette — Mrs. John Hunt and Mrs. David Doyle.

Mrs. C. W. Wanamaker and Mrs. J. E. Rath of Concord; Mrs. David Mox, Mrs. R. J. Whitfield and Mrs. Boris Ragent of Pleasant Hill; Mrs. Kenneth Finke of Walnut Creek; and Mrs. W. M. Tickner of Lafayette have made up the telephone committee for the drive.

## Local Scientists Step up at Shell

Three newly appointed supervisors at the Shell Development Division at the Emeryville Research Center are local residents, the company announced recently.

They are M. L. Courter, 2849 Walnut Boulevard, Walnut Creek; Robert T. Milligan, 2 Vista Del Mar, Orinda, and Warren L. Snider, 390 Marshal Drive, Walnut Creek.

Courter joined the company in 1942 after receiving his B.Ch.E. degree from the University of Cincinnati, while Milligan became a member of the firm in 1944. He is graduate of the University of Minnesota, where he received his B.Ch.E. degree. Snider joined Shell Development at Wilmington in 1944.

## Curtain Callers' 'Our Hearts' Set For Oct. 12 - 13

Orinda Art Center, sponsor of the Curtain Callers, announces that the play "Our Hearts Were Young and Gay" will be presented Friday and Saturday evenings, October 12 and 13, at Orinda School auditorium.

Curtain Callers are a high school group with members at both Acalanes and Miramonte. They receive additional sponsorship from the Dramateurs. Director of the play is Mrs. Edith Dinkin of Walnut Creek.

"Our Hearts Were Young and Gay" is based on the real-life adventures of Cornelia Otis Skinner and Emily Kimbrough as retold in their book of the same name, a best-seller about 10 years ago.

The Art Center also sponsors the junior high school group, the Thespians, who put on "The Secret of the Worn Out Shoes" last spring.

Drama classes for the fourth, fifth, and sixth grades are also held by the Art Center.

## Crusade Leaders Prep for Drive

Local community chairmen for the United Crusade campaign are in the final stages of recruitment of section chairmen and solicitors, according to Residential Chairman Mrs. John Glover.

These Crusade leaders will attend an informal luncheon at the home of Mrs. William Channell, 938 Old Hawthorne Road, Lafayette, Monday to discuss campaign problems.

A guest from the Speakers Bureau of the United Crusade will be on hand at the gathering to answer any questions concerning the Crusade.

Chairmen in this area are: In Orinda—Mrs. Richard Fayram and Mrs. Bartlett Heard Jr. In Lafayette—Mrs. Pierce Milt-on and Mrs. William Majors. In Pleasant Hill—Mrs. John Harper.

## Deep Angels Meet For Trial Session

Members and friends of the skin and lung diving group "Deep Angels" met at the home of their president Dick Pollack of Lucille Lane recently for a work out period.

The group received instruction in the proper use of the resuscitator demonstrated by two members of the Pleasant Hill fire station. First aid instruction was given by Dick Pollack who is a qualified Red Cross first aid instructor.

The members enjoyed a work out with the aqua lungs and pertinent equipment in the pool after the instruction period was over. Later in the evening the group enjoyed a potluck dinner in the backyard.

There will be another meeting of the Deep Angels on October 7 at 6 p. m. at the home of Pollack, 1954 Lucille Road. All those interested in joining a group such as this are invited to attend.

There will be an outing of the club September 30 at Shelter Cove in San Francisco. They plan to do some abalone fishing. Anyone interested in going may make arrangements to do so by calling Pollack at MU 2-4757.

## Walnut Jobs are Now Available

State farm labor office is seeking workers for picking up walnuts and occasional jobs in tomato and grape picking in the Central Contra Costa area.

Also needed are able bodied men able to knock walnuts or climb trees to hook tractor shaker cables.

According to W. W. Allan, farm labor officer for California State Department of Employment, growers may phone in advance of their needs for workers. YE 5-2070 is the number.
